A Narrative of Some of the Lord's Dealings With George Müller (Vol.1-4) George Müller,2020-05-10 It was only after the consideration of many months and after much self examination as to my motives and after much earnest prayer that I came to the conclusion to write this work I have not taken one single step in the Lord s service concerning which I have prayed so much My great dislike to increasing the number of religious books would in itself have been sufficient to have kept me forever from it had I not cherished the hope of being instrumental in this way to lead some of my brethren to value the Holy Scriptures more and to judge by the standard of the word of God the principles on which they act
