Lost Scriptures Bart D. Ehrman,2003-10-02 While most people think that the twenty seven books of the New Testament are the only sacred writings of the early Christians this is not at all the case A companion volume to Bart Ehrman s Lost Christianities this book offers an anthology of up to date and readable translations of many non canonical writings from the first centuries after Christ texts that have been for the most part lost or neglected for almost two millennia Here is an array of remarkably varied writings from early Christian groups whose visions of Jesus differ dramatically from our contemporary understanding Readers will find Gospels supposedly authored by the apostle Philip James the brother of Jesus Mary Magdalen and others There are Acts originally ascribed to John and to Thecla Paul s female companion there are Epistles allegedly written by Paul to the Roman philosopher Seneca And there is an apocalypse by Simon Peter that offers a guided tour of the afterlife both the glorious ecstasies of the saints and the horrendous torments of the damned and an Epistle by Titus a companion of Paul which argues page after page against sexual love even within marriage on the grounds that physical intimacy leads to damnation In all the anthology includes fifteen Gospels five non canonical Acts of the Apostles thirteen Epistles a number of Apocalypses and Secret Books and several Canon lists Ehrman has included a general introduction plus brief introductions to each piece This important anthology gives readers a vivid picture of the range of beliefs that battled each other in the first centuries of the Christian era

The Bible That Was Lost, and Is Found (Classic Reprint) John Bigelow,2017-09-17 Excerpt from The Bible That Was Lost and Is Found It was in the spring of 191 I that I went to Mr Bige low and asked him for the sake of the good that might be accomplished to allow me to edit this present volume I urged that at the time when the tercentenary of the Authorized Version of our English Bible was being celebrated it was peculiarly fitting that he should make public his testimony as to how the Bible had been established for him as the veritable Word of God He listened to me patiently as I tried to persuade him that the narration of his religious experiences might be helpful to many outside of his own immediate circle of friends He was unfeignedly modest on this point but he promised to consider the matter A few days later he wrote that he felt he had no right to withhold anything that might prove useful and that he would leave the matter entirely in my hands He sent me a copy of his Bible That Was Lost and Is Found in which he had indicated changes and additions that should be made

and with it a large number of letters from friends who had received copies of the original edition In his characteristic way he said that he felt I was entitled to any assistance he could place at my disposal inasmuch as I was willing to act as a midwife in the birth of this new progeny About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
