Parenting Musically Lisa Huisman Koops,2019-11-01 Parents use music in family life to accomplish practical tasks make relational connections and guide their children s musical development Parenting Musically portrays the musicking of eight diverse Cleveland area families in home school and community settings Themes from interviews focused on the families hopes and dreams for their children musically as well as the families perceptions of media messages regarding parents and music serve to deepen the documentation of how families use and perceive music in their daily lives Family musical interactions are analyzed using the concepts of musical parenting actions to support a child s musical development and parenting musically using music to accomplish extra musical parenting goals arguing the importance of recognizing and valuing both modes An additional construct practical relational musicking adds to the detailed analysis of family musical engagement Practical musicking refers to musicking for a practical purpose such as learning a scale or passing the time in a car relational musicking is musicking that deepens relationships with self siblings parents or community members such as a grandmother singing to her grandchildren via Facetime as a way to feel connected Families who embraced both practical and relational musicking expressed satisfaction in long term musical involvement Weaving together themes of conscious and intuitive parenting the rewards and struggles of musical practice and the role of mutuality in community musicking the discussion draws on research in music education psychology family studies and sociology This book serves to highlight the multi faceted nature of families engagement in music the author urges music education practitioners and administrators to consider this diversity when approaching curricular decisions Written in a style

accessible to laypersons this book will interest a wide range of music educators as well as families community members and scholars and practitioners in family studies psychology and sociology **Piano Lessons** Vladimir Feltsman,2019-06-19 Vladimir Feltsman presents insights drawn from a lifetime of devotion to music as a student a teacher a performer and a recording artist Beginning with his early days studying the piano in the Special School for Music in Moscow he writes compellingly about his experience of becoming a professional musician and passing along what he learned to the next generation Along the way he sheds fascinating light on what it was like to pursue his vocation in the former Soviet Union including eight years of artistic exile after he was refused permission to emigrate In addition to these personal reflections the book reproduces the highly informative liner notes Feltsman provided for many of the recordings in his extensive discography ranging from Bach's Goldberg Variations to the 20th century compositions of Soviet Russia's forgotten composers A final inclusion is the text that Feltsman a renowned Bach specialist wrote to accompany a performing edition of The Well Tempered Clavier offering both an expansive overview and detailed analysis of each of the preludes and fugues

Piano Lessons with Claudio Arrau Victoria A. von Arx,2014-05-28 Piano Lessons with Claudio Arrau provides an insider's view of the art of piano performance as exemplified by one of the great artists of the twentieth century Chilean pianist Claudio Arrau devoted his life to the piano and its music As a child prodigy he gained national recognition from government officials in Chile including President Pedro Montt who funded Arrau's education in Germany Arrau studied in Berlin with Martin Krause a pupil of Franz Liszt and later immigrated to New York City where he taught and mentored a sizeable group of pupils while at the same time managing an international performing career Arrau's profound musical insight and unique style of teaching inspired his pupils and motivated them to teach his principles to the next generation of students This in depth study of Arrau's principles and philosophy of technique and performance draws on information from published interviews with Arrau from numerous interviews with Arrau's pupils and from the author's experience in studying piano with two of them Transcripts of actual lessons given by Arrau and preserved on tape present in his own words a detailed account of his technical and interpretive ideas about five major works of the piano repertory References to over one hundred examples from Arrau's filmed recordings enable readers to observe the elements of Arrau's famed technique in action [The Piano Lessons Book](#) Neil Miller,2007-12-08 THE PIANO LESSONS BOOK by Neil Miller provides the essential information required to excel at playing the piano what you should be learning in piano lessons so you can play to your full potential It is the piano student's guide for getting the most out of practicing lessons your teacher and yourself Whether your preferences are towards classical jazz or popular music THE PIANO LESSONS BOOK will show you organized practicing methods that take the mystery out of music revealing how music is put together and easing the challenges of piano playing THE PIANO LESSONS BOOK combines Neil Miller's creative teaching techniques and experiences with practicing and performing comprehensively covering topics extremely useful to anyone taking or planning to take lessons In THE PIANO

LESSONS BOOK Neil Miller recounts relevant personal incidents and informative historical accounts to enlighten and entertain Hundreds of illustrations and musical examples enhance the explanations *Piano Lessons Are Fun, Bk 1* David Hirschberg,1985-03 Big note notation helpful for students with visual impairments **PianoVideoLessons** Lisa Pianista,2016-03-07 31 pages 16 piano lessons This book is the print material required for the online video piano lessons found in Unit 1 at PianoVideoLessons com PDF versions are available from PianoVideoLessons Year 1 Piano Lessons series is ideal for adult beginner piano students Start learning to play piano online using this book and the accompanying online video series found at PianoVideoLessons com Every lesson in this book has a complete video lesson This is Book One in a 6 unit series By the end of Unit 6 you ll be playing arrangements of famous piano classics like Fur Elise Moonlight Sonata and Pachelbel Canon This book Book One has 16 lessons and is an introduction to playing piano on the staff You will start learning to read music while becoming gradually more comfortable feeling coordinated reading while playing This book is NOT a complete text It is the print materials that accompany the video lessons at PianoVideoLessons com unit1 you can access all the instructional videos there by creating a free user account Not sure if this book is for you Visit pianovideolessons com and give the lessons a try *Simple Piano* Jessica Dietz,2017-06-16 The beginner piano book that reinvents piano lessons Learn in just 15 minutes a day less than 60 days Contact a real teacher for help take lessons at your own pace in your own home Included website to listen to the songs and many other resources Pacing guide in the book to follow at your own pace Learn in under two months Impress your friends with your new knowledge *David Carr Glover Method for Piano: Lessons, Level 3* David Carr Glover,Jay Stewart,1999-12-08 Lessons Level 3 from the David Carr Glover Method for Piano reviews the basic concepts presented in Lessons Level 2 New concepts are introduced and reinforced sequentially through the use of original compositions folk songs and the sounds of today This book combined with the recommended supplementary materials continues to assist the student in developing the ability to read and perform musically through interval recognition sight reading and ear training The David Carr Glover Method for Piano has been created to provide an enjoyable program of piano instruction which is pedagogically sound Note by Note Tricia Tunstall,2008-04-15 In this luminous book Tricia Tunstall explores the enduring fascination of the piano lesson Even as everything else about the world of music changes the piano lesson retains its appeal Drawing on her own lifelong experience as a student and teacher Tunstall writes about the mysteries and delights of piano teaching and learning What is it that happens in a piano lesson to make it such a durable ritual In a world where music is heard more often on the telephone and in the elevator than in the concert hall why does the piano lesson still have meaning in the lives of children What does it matter whether one more child learns to play Bach s Minuet in G Note by Note is in part a memoir in which Tunstall recalls her own childhood piano teachers and their influence As she observes the piano lesson is unlike the experience of being coached on an athletic team or taught in a classroom in that it is a one on one personal communication Physically proximate

mutually concentrating on the transfer of a skill that is often arduous complicated and frustrating teacher and student occasionally experience breakthroughs moments of joy when the student has learned something mastered a musical passage or expressed a feeling through music The relationship is not only one way teaching the piano is a lifelong endeavor of particular intensity and power Anyone who has ever studied the piano or wanted to will cherish this gem of a book
