Should We Marry:

Marriage, Sexuality, and Gender Robin West, 2015-12-03 Marriage Sexuality and Gender examines contemporary debates about the meaning and value of marriage The book analyzes arguments for traditional marriage including those of neonaturalists utilitarians and communitarians or virtue theorists The volume also considers a range of feminist welfarist and liberationist arguments for ending the institution altogether It evaluates two major reform movements one focused on expanding marriage to include same sex couples and the other focused on the use of law to render marriage more internally just The book concludes with a plea to activists to redirect marriage equality movements toward the creation of an entirely secular civil union law that would respect a broader range of private life long commitments including but not limited to same and opposite sex couples without threatening the role of religious marriage in the lives of those who embrace it and without penalizing nonparticipants

The Permanency of Marriage Michael G. Berner, 2025-07-30 The Permanency of Marriage takes the reader sequentially through the Bible explaining what the Bible says about marriage and its duration This book explores the common and not so common arguments for divorce and the Biblical response to each Berner grew up in the 1950s and 60s Before and during that time period marriage was for life Divorce was openly condemned and brought severe consequences from the church and from society In the 1960s as his pastors and teachers changed their position from divorce is wrong to God allows divorce for specific situations questions arose If God s character never changes how can divorce go from wrong to right If God s counsel never changes how can divorce go from wrong to acceptable If God s Word never changes how can divorce go from wrong to beneficial The Permanency of Marriage addresses these questions Berner s desire for answers was furthered when the issue of divorce and remarriage surfaced in the life of a very close personal friend Later this issue surfaced in his immediate family With his own marriage approaching his need to know was immensely personal When his wife obtained her divorce finding God s answers became a necessity Berner had to know exactly what God expected of him regardless of what family friends religious leaders and literature said His book provides answers to these questions As he studied for answers to the above questions Berner noticed those advocating for divorce and for divorce and remarriage used the same chapters and verses with slight differences to support their position Those advocating no divorce and no remarriage used a set collection of chapters and verses to defend their position Both groups ignored verses that did not fit their predetermined belief and behavior The Permanency of Marriage deals with the chapters and verses used by both groups And it deals with chapters and verses ignored by both groups Berner also noticed with almost no exceptions books articles sermons interviews etc on divorce and remarriage deliberately avoid discussing the consequences of both divorce and remarriage consequences on the husband wife on the children and on society in general The Permanency of Marriage includes this topic The Permanency of Marriage includes discussion on the causes of divorce past and present research on divorce and remarriage quotes from early church leaders time of Christ to 500 AD topics such as innocent party before

salvation consider them dead and other issues and topics that impact the duration of marriage and the rightness or wrongness of divorce and remarriage Berner states he cannot claim with certainty that his book exhausts everything God says on this topic He further states his book is a study not an entertaining read He asks for everyone to read every reference for themselves Each biblical reference is discussed in detail as it relates to marriage and as it relates to divorce Therefore there will be content repetition All bolding underlining and italics are his unless otherwise noted All verses are from the King James Bible unless otherwise noted

The Philosophy of Marriage, in Its Social, Moral and Physical Relations

Michael Ryan,185? **Should We Marry Or Not?** Nora I,2022-09-24 Investing in your relationship before you are married will reap rewards for many years to come Getting ready for marriage means being prepared for it in a myriad number of ways Happily married couples are the ones who have worked hard on how to resolve their conflicts through communication compromise and sacrifice So if you proactively discuss your expectations ahead of time your chances of leading a happy life together increase considerably Preparing for marriage is the key to a forthcoming blissful married life Marriage essentially involves a surrender of personal rights for the benefit of each other Neither the husband nor the wife has the right to make major purchases without the full agreement of the other partner Your money is our money even if you feel like you earned it You can no longer spend it however you please Make a commitment to postpone spending until you both feel comfortable with the decision When two people come together to start a family both individuals probably have different backgrounds and upbringings This can influence the way both of you approach parenting A result of opposing parenting styles Arguing about whether your kids should have ice cream before dinner or how to discipline them if at all Knowing and understanding the premarital factors discussed above is the first step The second step is assessing these factors in yourself and your relationship This can be accomplished most effectively and easily by completing a comprehensive premarital assessment questionnaire PAQ and interpreting the results with your partner Three high quality PAQs that provide couples with useful feedback on their strengths and weaknesses in each of the areas above include 1 Facilitating Open Couple Communication Understanding and Study FOCCUS 2 Relationship Evaluation RELATE 3 Premarital Preparation and Relationship Enhancement PREPARE There will be times when a husband and wife will have opposing viewpoints about important decisions or situations These are times to earnestly seek the will of the Lord through a study of His word and times of prayer and fasting If there is still disagreement a wise and respected person of authority should be available for counsel Normally this could be the parents the Elder or some other wise brethren or counselor Discussing this marriage compatibility question and coming to an agreement on who to talk to will make the hopelessness that conflict can sometimes bring much more bearable solution IT IS GOOD YOU GET A COPY OF THIS BOOK FOR YOUR MARRIAGE PREPARATION **Getting Married** Carrie Yodanis,Sean Lauer,2016-09-01 In Getting Married Carrie Yodanis and Sean Lauer examine the social rules and expectations that shape our most personal relationships How do couples get together How do people act when they re
