On with the Show! Sheri L.M. Bestor, 2005-03-30 Don't waste a minute of precious rehearsal time. Divided into two parts: the Director's Handbook and the Actor's Handbook. On With the Show enables directors and actors to get the most out of rehearsal time at home and on the stage. Providing essential time-saving techniques, worksheets, and samples, this guide allows you to work more effectively and efficiently toward the final production, strengthening your skills as a director while building confidence in your actors onstage. This resource for drama teachers, classroom teachers, and community theatre leaders allows all to enjoy the thrilling process of putting on a play or musical by providing the tools for cast members to reach their performance goals and helping directors to be as organized as possible.

Wisdom and Vin-isms: Slams, Laughs, and Lessons Learned Vinnie Venturella, 2025-06-29 When would you ever bet a punch in the face? Why is it necessary to park so you can pull forward? How do you get in World War Z shape? What does my Mom know about making friends? During a verbal slam session, when is it ever okay to go tactical nuke when a proportional response would be a bow and arrow? What is the Rule of 72? What does give him the heater mean in your world? What can only 5% of American men and 1% of women do? How can you determine if a dude is wearing a quality suit? Shouldn't some leaders talk more directly than they do? How do you know what to order at McDonald's? What are Chiefly Things? How does action breed more clarity than thought? These and many more are the questions answered or lessons highlighted in this book. *Wisdom and Vin-isms* is a companion to *The Red Pill* on wisdom and an homage to *Heartbreak Ridge*. Just because it's not deep or rooted in classical philosophy or perfectly coiffed by a titan of industry doesn't mean it's not wisdom. It definitely is a Vin-ism and should be embraced.

Lost & Found Ross W. Greene, 2021-08-10 Help the students with concerning behaviors without detentions, suspensions, expulsions, paddling, restraint, and seclusion. In the newly revised Second Edition of *Lost and Found*, distinguished child psychologist Dr. Ross W. Greene delivers an insightful and effective framework for educators struggling with students with concerning behaviors. The author's Collaborative Proactive Solutions (CPS) approach focuses on the problems that are causing concerning behaviors and helps school staff partner with students to solve those problems rather than simply modifying the behavior. In this book, you'll discover a more compassionate, practical, effective approach to students with concerning behaviors, one that positions educators as allies, not enemies, and as partners, not adversaries. Updated examples and dialogue, suited to modern classrooms and recent innovations from the constantly evolving CPS model. Specific advice on how schools can eliminate the use of punitive, exclusionary disciplinary procedures and address disproportionality. Perfect for K-12 educators in general and special education. *Lost and Found* has also become standard reading for teachers in training, professors, and parents who struggle to help students for whom everything has already been tried.

A Message to the Young Black Males Maurice I. Crawford, 2024-03-24 In *A Message to the Young Black Males*, young Black men embark on a transformative journey guided by Maurice I. Crawford's profound insights and unwavering commitment to uplifting young men from marginalized

backgrounds Through a carefully woven mosaic of personal anecdotes, practical wisdom, and genuine encouragement, this book serves as a beacon of hope for those navigating the complexities of life. With empathy and understanding, the author addresses the unique challenges young men of color face, offering strategies to overcome adversity and harness their inherent potential. From navigating systemic barriers to confronting internal doubts, *A Message to the Young Black Males* equips young Black men with the tools needed to thrive in a world that often underestimates their worth. At the heart of this book lies a powerful message of resilience: a reminder that setbacks are not limitations but opportunities for growth. Through stories of triumph over adversity and lessons learned from failure, Black men are inspired to cultivate resilience in the face of adversity, knowing that their journey is as much about the process as it is about the destination.

Central to Maurice I. Crawford's message is the importance of self-awareness and embracing one's individuality. By encouraging young Black males to embrace their unique strengths and talents, *A Message to the Young Black Males* empowers young men to defy stereotypes and carve out their own paths to success. Whether pursuing higher education, entering the workforce, or pursuing their passions, readers are encouraged to pursue their dreams with courage and conviction. In a world that often seeks to confine young men of color to narrow stereotypes, *A Message to the Young Black Males* serves as a rallying cry for empowerment and self-determination. It is a testament to the resilience, strength, and boundless potential of young men of color everywhere. A must-read for anyone committed to fostering their growth and empowerment in our society.

Embodying Integration
Megan Anna Neff, Mark R. McMinn, 2020-03-31

Representing two generations of counselor education and practice, Megan Anna Neff and Mark McMinn provide practitioners with a fresh look at integration in a postmodern world. Modeling how to engage hard questions, they consider how different theological views, gendered perspectives, and cultures integrate with psychology and counseling.

Coming Prophetic Events. Three Lectures on Prophecy, Delivered at Fermoy, Ireland, Showing the Immediate Fall of the Papacy; Dissolution of the Ottoman Empire; Restoration of the Jews; and Coming of the Lord

Nurses Making Policy, Second Edition
Rebecca M. Patton, Margarete L. Zalon, Ruth Ludwick, 2018-09-28

Praise for the First Edition: There is a plethora of policy books on the market, but none illustrate the steps in the policy process better than this one. The high-caliber editors and contributors, all of whom have been involved in policy work, bring years of experience to illustrate the key points. This outstanding resource will help motivate many more nurses to get involved in the policy process. Score: 93.4 Stars. Doody's Medical Reviews. Written by distinguished nurse leaders with expertise in policy, practice, education, and research, this book is a practical how-to guide written to help advanced students and nurse leaders develop health policy competencies to advocate for patients from the bedside to the larger political arena. Co-published with the American Nurses Association, the book examines the pivotal role of nurses involved in health policy making, making it an essential resource for nurses pursuing advanced education and desiring to enhance their expertise in making policy and facilitating its change. The book addresses recent changes impacting healthcare and many other topics.
