## **Nitty Gritty:**

The Nitty-Gritty of Money Brad Brunkow, 2015-05-01 Ryan and Kayla are looking forward to spending a few weeks with their grandparents during summer vacation. During the visit, their grandparents present twelve basic principles to help guide the children in successfully managing money as Christians. Through games, activities, and biblical references, Ryan and Kayla learn about tithing and setting financial priorities, setting and working within a budget, the difference between wants and needs, and the time value of money. This educational guidebook teaches practical, faith-inspired financial lessons that encourage financial independence, wise spending habits, and a charitable mindset. *Blowing Away the State Writing Assessment Test* Jane Bell Kiester, 2013. Explanations provided with the student samples. The Voice of the Seven Thunders George Kevyn Weber, 2014-07-21. There is no time for the people of the world to waste to decide to change their ways and their ways of living. The world is in a crisis that it has not been in before. Actually, the world has been in countless crises in the past before disaster, calamity, or catastrophe struck the people of the earth. We are not talking of crises of natural disasters, calamities, or catastrophes that have hit the earth; we are talking about man-made, man-engineered, and man-designed disasters, calamities, and catastrophes that have hit the world from time to time. History is full of them, and apart from those natural disasters caused by God or the Devil themselves, the rest were caused by man themselves. Now this revelation is not about the natural but about the spiritual. Power-mad dictators, rulers, and potentates the world over are normally the cause of these disasters, calamities, and catastrophes, and nature has little to do with them, although they did affect nature in some way or another. Small and great wars were started by whosoever caused them without any due regard of men's lives, and the resultant horrors, hardships, and horrendous pain lived on in the hearts and lives of the people that survived. No one can add these things up, nor can they count the cost in human suffering, misery, and pain, nor the cost of men's souls lost, all for the sake of man's vanity. The current synopsis is catchy and intriguing. This synopsis is

well written and it will entice readers into picking this book up and reading it Cynthia Sherman Writers Literary Publishing Services Critique Division **Business Ethics in Biblical Perspective** Michael E.
