No Easy Circle:

The Circle Maker (Enhanced Edition) Mark Batterson, 2011-12-20 According to Pastor Mark Batterson in this Zondervan ebook *The Circle Maker* Drawing prayer circles around our dreams isn't just a mechanism whereby we accomplish great things for God. It's a mechanism whereby God accomplishes great things in us. Do you ever sense that there's far more to prayer and to God's vision for your life than what you're experiencing? It's time you learned from the legend of Honi the circle maker, a man bold enough to draw a circle in the sand and not budge from inside it until God answered his prayers for his people. What impossibly big dream is God calling you to draw a prayer circle around? Sharing inspiring stories from his own experiences as a circle maker, Mark Batterson will help you uncover your heart's deepest desires and God-given dreams and unleash them through the kind of audacious prayer that God delights to answer.

These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
