No Goodbyes Elizabeth Robinson,2017-09-05 WHAT IF WE NEVER REALLY LOSE THOSE WE CARE ABOUT WHAT IF THERE REALLY ARE NO GOODBYES From a young age trained counsellor Elizabeth Robinson was aware of being able to sense and know beyond the five senses Her ability to see beyond the veil into the spiritual realm has allowed her to effectively illuminate and articulate what holds people back from expressing their true potential We live in a society that teaches us that contact with those who have passed does not exist we have a medical model that for the most part labels these as aberrant experiences is finite and frequently judgmental In her work Elizabeth combines conventional wisdom with knowledge gleaned from beyond the physical In this deeply moving account Elizabeth shares her extraordinary path to self awareness Tracing her journey from practicing privately and in hospitals in Australia to living and working in the U S and returning to Sydney she outlines experiences with clients and colleagues who have passed and the insight and comfort that those experiences provide to those still living There Are No Goodbyes firmly makes the case that we are spiritual beings having a human experience The phenomenal accounts in this book help us realize that there is no need to fear death as we are all immortal and innately spiritual beings connected eternally by the power of unconditional love **The Backpack**
