No Haven for the Oppressed Saul S. Friedman, 2017-12-01 No Haven for the Oppressed is the most thorough and the most comprehensive analysis to be written to date on the United States policy toward Jewish refugees during World War II No Haven for the Oppressed is the most thorough and the most comprehensive analysis to be written to date on the United States policy toward Jewish refugees during World War II Friedman draws upon many sources for his history significantly upon papers which have only recently been opened to public scrutiny These include State Department Records at the National Archives and papers relating to the Jewish refugee question at the Roosevelt Library at Hyde Park Such documents serve as the foundation for this study together with the papers of the American Friends Service Committee of Rabbis Stephen Wise and Abba Silver Senator Robert Wagner Secretary Hull and Assistant Secretary of State Breckinridge Long of the American Jewish Archives the National Jewish Archives and extensive interviews with persons intimately involved in the refugee question Professor Friedman describes America's pre war preoccupation with economic woes immigrants particularly Jewish immigrants were viewed as competitors for scarce jobs President Franklin D Roosevelt although personally sympathetic to the dilemma of Jews was not willing to risk public and congressional support for his domestic programs by championing legislation or diplomacy to increase Jewish immigration The court packing scandal and the unsuccessful purge of Southern Democrats had left his popularity at an all time low Jewish leaders were equally unwilling to antagonize the American public by strong advocacy of the Jewish cause They feared anti Semitic backlash against American Jews and worried that their own 100 percent loyalty to the nation might be questioned Although he takes issue with authors who propose that anti Semitism at the highest levels of the State Department was the major block to the rescue of the Jews Friedman demonstrates that some officials continually thwarted rescue plans He suggests that a disinclination to sully themselves in negotiations with the Nazis and a fear that any ransom would prolong the global conflict caused the Allies to offer only token overtures to the Nazis on behalf of the Jews
