One Year In Morgana:

Morgana's Handmaid and the Creature of the Dungeon Purple Hazel,2018-08-14 The Handmaid s shameful affair with the dashing but unscrupulous Captain of the Guard leads indirectly to her own undoing as she soon finds herself accused by the people of Camelot of being a witch Horrified at the terrible fate which might befall her she is ultimately saved by the shrewd cleverness of the only man in the kingdom who can sway King Arthur none other than Merlin the Magician Sent to the castle s terrifying dungeon instead of being handed over to the evil Monks from The Inquisition she now must find a way to survive and escape even if the chances of doing so are all but hopeless For she is now at the mercy of the terrifying creature who dwells within the hellish depths of Camelot s secret underworld a world that exists in the caverns and caves below the castle

Believe Paula Carneglia Neice,2012-06 I can remember from such an early age my mother telling me that she wished I was never born that she should have drowned me and that boys are much easier than girls As I look back and reflect on some of her statements I now know why my real father was my caregiver for the first two years of my life Paula was born into a family that didn t want her The daughter stepdaughter of two very unhappy people she learned early in life what it meant to be unloved and unwanted But as she grew up and slowly became more independent she began to realize that anyone can have worth even an unwanted child From physical mental and sexual abuse to hurtful words Paula s story shows the extent of pain childhood can bring Share her struggles and her faith as she fights to overcome her traumatic childhood in this touching and inspirational memoir and learn what it means to truly Believe

Underachievers Steve Janes,2007-05-01 Welcome to the world of Amy Alice and Felix they ve little to say in favour of it Mostly they fail to find tolerable partners bicker whinge and spend too much time in a dive called The Snakepit And then there s teaching careers to avoid and the rest of humanity to endure And there s Morgana and Oswald And then Felix s partner leaves him for an unemployed circus clown And that s what living in the faded glory of Ambleside an end of the line coastal town that wasn t too glorious before it faded is all about if you can call it living And then you die

Imperial Dragon Steven Tomes,2021-05-02 Ever wondered what happened to those who vanished without a trace Ahab Valentine was contemplating just that when he became one of them Given the task of protecting the nation he finds himself in from both itself and its enemies alongside an unexpected marriage and family Ahab s curiosity is soon set aside for this more daunting task The question is can he do it can he save the Imperium from its own darker self destructive impulses

Arthur's Legacy Tyler R. Tichelaar,2014-05-06 He felt suddenly as if a siren s song were calling to him from across the sea from an enchanted land an island kingdom named England He had always pictured England as a magical fairy tale realm ever since his childhood when he had first read the legends of King Arthur and the Knights of the Round Table Magic existed in the thought of England s green hills in the names of Windsor Castle Stonehenge and the Tower of London It was one of the few lands still ruled by a monarch perhaps a land where fairy tales might still come true Maybe even a place where he might at last find a father All

his life Adam Morgan has sought his true identity and the father he never knew When multiple coincidences lead him to England he will not only find his father but mutual love with a woman he can never have and a family legacy he never imagined possible Among England s green hills and crumbling castles Adam s intuition awakens and when a mysterious stranger appears with a tale of Britain s past Adam discovers forces may be at work to bring about the return of a king
