The Unsolved Mysteries of the Bible Yohane,2013-10 We are currently living in an interesting exciting wonderful and ominous time in the history of the world Technology and the Informational Age make it possible to know instantly about world events and some of these events appear to be extremely worrisome In response to this situation *The Unsolved*

Mysteries of the Bible gathers topical treatments of the Bible's key messages supplementing them with insights from the writings of the world's varied ancient traditions. Author Yohane has assembled this diverse array of sources into a sequence of thirty-eight chapters addressing questions about the Bible and God moving through the accounts of creation and salvation and turning finally to the mysteries of God's planned ending of the world. If you listen to the news and wonder what sense to make of a confusing world, if you ask yourself whether life has any purpose or worthy end, or if you have always intended to dig into the Bible to find out its witness to God and his design for the whole creation from beginning to end, then *The Unsolved Mysteries of the Bible* can serve as your guide to asking the hard questions, listening for the truthful answers, equipping yourself to live in this world and knowing God's plans for the world to come.

Unveiling Mysteries of the Bible Grant R. Jeffrey, 2013-06-19 The Bible is certainly the most mysterious book ever created. The Scriptures are filled with hundreds of curious passages that have puzzled both Jews and Christians for thousands of years. In this powerful faith-building book, respected author Grant R. Jeffrey takes the reader on a journey of mystery while uncovering deep truths found in the word of God. It is the glory of God to conceal a thing, but the honour of Kings is to search out a matter. Proverbs 25:2. Key Topics Include: The Mystery of 3 Days and 3 Nights and Christ's Resurrection, The Mystery of the Virgin Birth and the Star of Bethlehem, The Fall of the Walls of Jericho, Ancient Egyptian manuscript confirms the 10 plagues of Exodus, Joshua's Long Day, Jonah and the Great Fish, The Mystery of the Lost Treasures of the Temple, Why Christians Worship on Sunday.

A Window to Secrets and Mysteries in the Bible B. C. Bridges, 2011-02-10 This book *A Window To Secrets And Mysteries In The Bible* is just what the title claims. Other people may know about these things, but if so, I have never heard it expressed. After reading this book, you may read the Bible in a slightly different way. That doesn't mean that the contents of this book try to change the Bible in any way. It does not try to add a single word to the Bible, nor does it try to take a single word away from it. In the book of Revelation, in the last chapter, God's word tells us of the terrible punishment that would befall any one trying to do that. If you have already read the Bible, you may feel like you want to read it again, just to make sure that what you read is really what it said to you. So get back in the Bible and maybe get surprised. You could find other mysteries not in this book.

[Mystery of God, Mystery of Christ](#) Ysabel de Andia, 2024-03-28. Now available in English for the first time. Ysabel de Andia's double exploration of Christian and Hindu mysticism provides a valuable addition to the field. Composed from lectures given in Benares in 2015 to priests of the Missions Etrangères de Paris, *Mystery of God, Mystery of Christ* combines the two main research interests that have defined de Andia's career: first, an understanding of Christian mysticism as growing out of the Christian mystery of

Christ and the sacrament and secondly the relationship between this and Hindu contemplative prayer as articulated by Jules Monchanin Beginning with the Cappadocian fathers de Andai traces the developing interpretation of Mystery through Christian thinkers from Origen and Gregory of Nyssa to Basil and Dionysios the Areopagite From here she begins to dovetail this study with an exploration of Hindu contemplation relating the Carmelite mystic St John of the Cross to the Advaitist tradition especially as expounded by Shankara Throughout her masterful understanding of both traditions is apparent For English readers her insight will provide a fresh perspective on this lively subject area Studies in the Scriptures: The
