Myth, History, and Faith Morton T. Kelsey, 1994-06-01 Life without myth is likely to be dead and sterile while religion without myth is a flat rational substitute for the real thing Morton Kelsey *Myth, History, and the Resurrection in German Protestant Theology* Brent A. R. Hege, 2017-10-13 The Christian faith stands or falls with the confession that Jesus Christ is risen While that assertion itself is perhaps uncontroversial precisely what this confession means has been a subject of profound significance and immense controversy for centuries Central to this discussion is the role of myth and history in the biblical witness and in the church's theological engagement with the confession that Jesus Christ is risen This book traces key trajectories of German Protestant discussions of myth history and the resurrection from its earliest critical analysis in the work of Hermann Samuel Reimarus and David Friedrich Strauss to contemporary appraisals by Eberhard Jüngel and Ingolf Ulrich Dalferth At the center of this discussion stands Rudolf Bultmann whose work on the resurrection sparked fierce debates that left a lasting impact on Protestant theology in Germany and beyond The questions raised by these theologians continue to resonate in contemporary discussions of the nature and status of biblical texts the integrity and truth of the Christian confession and the meaning and significance of the resurrection of Jesus Christ for Christian faith and life at the beginning of the twenty first century *Ancient Myths and Biblical Faith* Foster R. McCurley, 1983 In tracing the development of three mythological themes the conflict between the god of order and the chaos of the sea the rhythm of fertility and sterility in terms of divine and human sexuality and that quality of space known as the sacred mountain Foster R. McCurley examines religious texts from Mesopotamia Canaan and Egypt cultures which had direct contact with ancient Israel The use of these themes in both the Hebrew Bible and the New Testament is discussed with the thematic development providing a basis for exploring the relationship between myth and history in biblical faith *Christian Faith and Life*, 1910

Questioning Faith Sheila Deeth, 2020-09-30 If you or your children or your friends and relatives and neighbors have ever complained that faith is a misery a pain a burden legalistic divisive cruel a crutch impractical a myth just part of your culture unreal anti science too heavenly minded to be any earthly use dead only about predicting the end of the world only about deciding who's going to be saved or lost all about condemnation and Thou shalt not then this just might be the book for you and for them And if anyone's ever told you to stop asking questions Questioning Faith eagerly invites you to ask away In this book the author sets out to show how questions make the answers breathe and how the Christian God is big enough to take anything we or our children friends and relatives and neighbors throw at him We don't need to protect our faith or our God from society or from science And we don't need to deprive ourselves of the joy of asking questions **Fables of Infidelity and Facts of Faith** Robert Patterson, 1875 *Faith and Philosophy* Henry Boynton Smith, 1877 **Religion As Myth** Peter Williams, 2008-01 We all view the world from the individual stance we assume as a result of our social status
