Pathways Through Paradise:

Pathways to Paradise Delilah Mabel Cooke Frazier, 1985 **Pathway to Paradise** Elaine Threats, 2008-05-08 Looking for God in all the wrong places Then read this book Its an in depth journey through the Holy Scriptures of the bible to guide you through Gods pathway of salvation which he has provided for human life on this earth In the world of today there are some many avenues and paths to choose in life God has given man the freedom to choose his own destiny but in that freedom he has asked that we choose wisely making right choices What is the right choice in life This book is here to help answer that question The bible says the fear of the Lord is the beginning of wisdom therefore having godly fear is the first wise path that anyone can choose Why is it wise to fear God It is wise because once we begin to give God his due respect as the creator of life is where we begin our journey toward discovering every other right and wise pathway life has to offer which leads to true salvation and in the end eternal life This book is a journey through the Holy Scriptures of the bible in finding that right path to help clear up the fog in the minds of so many looking to know and understand what is true and what is right God has already laid the foundation by the scriptures that we may have the tools and the ability to build a life of success according to the Master who created this great world in which we live and who knows best If you have a true desire to understand the scriptures and want to know what God can do in your life if you are confused about the bible and religion but hope to find the pathway leading to true salvation then read this book Is is here to give good education on biblical truths And as you read keep the bible handy because this book is designed so that as you read it you will need the bible for reference in hopes that you might find the true pathway to paradise **Pathways to Paradise** Neil J. The Congregationalist ,1927 **Pathway to Understanding the Bible** MAXWELL ADORKOR,2013-07-02 Did God intend His Word to be difficult for us to understand Is it God or mans fault that the Bible remains a mysterious book to most people Is there a clear path provided by the Author of the Bible to make it easily understandable Can the Bible be trusted at all Do we add or subtract from its content Who should even study the Bible Are you aware of the battles being waged behind the scenes since ancient times against the Bible and those behind this Just how many gospel messages do we have in the Bible anyways Does this message ever change to suit the demands of a particular generation Can this message be easily identified Can we trace the source of false doctrines Do you really know who Jesus was What was His message Why did He have to die on mans behalf Who were His true killers Did Paul and the other apostles amend His message or did they preach the same message Do you really understand the main purposes behind Gods commandments in the Old Testament How about really understanding the writings of Paul in particular and the rest of the apostles in the New Testament Does the teaching of Paul contradict that of his master Jesus Christ What was Gods purpose for creating man Does God love some groups of people more than others What brings blessings and or curses What does it mean to be righteous according to the Bible What are the characteristics of a righteous person Just what is the New covenant and what was it intended to achieve Who is a neighbor according to Jesus Christ Unlike the rest this book discards the denominational approach of studying the Bible and takes the reader on chronological steps to have the Bible decoded and plainly sets the reader on a personal journey of studying it without the aid of a Concordance or a Commentary The Pathway to Reading Bessie Blackstone Coleman,Willis Lemon Uhl,James Fleming Hosic,1926 **THE PATHWAY TO GOOD**
