Pharaohs Chicken

Victor M. Corman

Pharaohs Chicken:

The Joy of Keeping Chickens Jennifer Megyesi, 2015-04-07 Finally backyard farmers who want to keep a few hens for eggs have a bible that's attractive enough to leave out on the coffee table and inexpensive enough to purchase on a whim. This comprehensive guide written in charming prose from the perspective of an organic farmer will appeal to readers who are interested in raising chickens or simply want the best knowledge about how to cook them. With this in mind, farmer and animal expert Jennifer Megyesi discusses all the basic details of raising the birds: general biology, health, food, choosing breeds, and so on, and she cuts through the smoke to identify what terms like organic, free range, and so on really mean for poultry farmers and consumers. No chicken book would be complete without information on how to show chickens for prizes, and this is no different. But *The Joy of Keeping Chickens* also stresses the importance of self-sustainability and organic living and the satisfaction of keeping heirloom breeds. Readers will appreciate the comprehensive nature of this readable, informative guide, and Megyesi's enthusiasm about keeping chickens. Coupled with Geoff Hansen's gorgeous full-color photographs, this text makes for an instant classic in the category.

Animal Subjects Jodey Castricano, 2008-05-20 Although Cultural Studies has directed sustained attacks against sexism and racism, the question of the animal has lagged behind developments in broader society with regard to animal suffering in factory farming, product testing, and laboratory experimentation, as well as in zoos, rodeos, circuses, and public aquariums. The contributors to *Animal Subjects* are scholars and writers from diverse perspectives whose work calls into question the boundaries that divide the animal kingdom from humanity, focusing on the medical, biological, cultural, philosophical, and ethical concerns between non-human animals and ourselves. The first of its kind to feature the work of Canadian scholars and writers in this emergent field, this collection aims to include the non-human animal question as part of the ethical purview of Cultural Studies and to explore the question in interdisciplinary terms.

The Magician Sanad Rashed, 2015-02-22 Salem didn't expect that the invitation he received to give a lecture in the U.S.A. would end to be an unforeseen journey with utterly unpredictable events. A long and exciting journey fraught with mystery, thriller, and risk in each step forward. A flood of nonstop surprises doesn't even give you the chance to catch your breath. A journey where there's no boundary between reality and illusion. Where myths and history are mixed. Superstition and science are confused. It's not just a novel but a journey in the most exciting and the most impressive world. A journey in the world of magic. And in a magician's life, Sanad Rashed is a Kuwaiti writer, researcher, and magician. He is known for his best-selling publications which topped the sales charts in the Arab world for periods: *Access*, 1979; *The Teacher's Journal*, 1904; *The Teacher's Journal*, Arras Jones, 1904; *Fanciers' Journal and Poultry Exchange*, 1876.

The Looneyspoons Collection Janet Podleski, Greta Podleski, 2012-11-15 Lick your lips and shrink your hips with *The Looneyspoons Collection*, jam-packed with the best of the best. Janet Crazy Plates, a James Beard Foundation Award finalist, and *Eat Shrink*, hundreds of practical weight loss, anti-aging, and healthy living tips, and of course, a heaping helping of Janet Greta's trademark corny jokes and punny

recipe titles *Alone, But Never Lonely* Suzanne Anthony, 2008-05 Motionless Suzanne gazed across the river at exploding images of destruction and despair as the city she called home had just been shattered Staring at the billows of smoke that now engulfed downtown she realized that the world had changed forever This was not a scene from some far away war torn place This was New York City Her country's freedom now under attack Suzanne finds herself without a job and without a purpose Finding a severance notice in her inbox she leaves behind her comfortable executive lifestyle and journeys alone beyond her comfort zone to liberate her spirit and claim personal freedom Traveling with a sense of adventure in her heart and only what possessions she can carry in a backpack she finds her way to the far corners of the world where few have ventured Suzanne takes us on a rich personal odyssey returning home one year later to Ground Zero where it all began As she returns to her beloved city she is filled with renewed purpose a broader perspective of the world and a greater understanding of herself and humanity
