## **Petticoat Rebels:**

**Petticoat Rebels** Hazel T. Martin, 1968      **'I Want to Disturb My Neighbour'** Verene Shepherd, 2007 This collection of 21 papers selected from presentations internationally reflect the depth and focus of Professor Shepherd's work over the past ten years in the areas of conquest and colonialization slavery and anti slavery post slavery society the project of decolonialization and the role of gender      **Petticoat Rebel** Mary Stetson Clarke, 1964 Teen age Dacie's belief in education for women and her family's stand against slavery are interwoven against the background of the American Revolution      **The Language of Dress** Steeve O. Buckridge, 2004 Annotation African enslaved and freed women used their fashion and style of dress as a symbol of resistance to slavery and accommodation to white culture in pre and post emancipation society African cultural features folklore music language religion and dress were retained and nurtured in Jamaica because they guaranteed the survival of Africans and their descendants against European attempts at cultural annihilation Steeve Buckridge illuminates the complexities of accommodation and resistance showing that these complex responses are not opposites but are in fact melded into each other as he reveals the dynamics of race class and gender in Jamaican society and the role of women in British West Indian history His work contributes to the ongoing interest in the history of women and in the history of resistance BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved      **Charlotte Brontë** Pauline Nestor, 1987-04-03      **The Divided Family in Civil War America** Amy Murrell Taylor, 2009-11-04 The Civil War has long been described as a war pitting brother against brother The divided family is an enduring metaphor for the divided nation but it also accurately reflects the reality of America's bloodiest war Connecting the metaphor to the real experiences of families whose households were split by conflicting opinions about the war Amy Murrell Taylor provides a social and cultural history of the divided family in Civil War America In hundreds of border state households brothers and sisters really did fight one another while fathers and sons argued over secession and husbands and wives struggled with opposing national loyalties Even enslaved men and women found themselves divided over how to respond to the war Taylor studies letters diaries newspapers and government documents to understand how families coped with the unprecedented intrusion of war into their private lives Family divisions inflamed the national crisis while simultaneously embodying it on a small scale something noticed by writers of popular fiction and political rhetoric who drew explicit connections between the ordeal of divided families and that of the nation Weaving together an analysis of this popular imagery with the experiences of real families Taylor demonstrates how the effects of the Civil War went far beyond the battlefield to penetrate many facets of everyday life      **Allan Breck** George Robert Gleig, 1835      **Petticoat Rebels of 1916, Extraordinary Women in Ireland's Struggle for Freedom** Brighid O'Sullivan, 2016 The Petticoat Rebellion was a term coined by Irish and English newspapers in the 1870s It was a reference to the Ladies Land League which carried on the work of the Land League for a short time The ladies went one step further than the men however As movers and shakers they raised thousands of dollars

both in Ireland and abroad fed the hungry found homes for evicted tenants and provided hope to the hopeless while men fought battles over land issues through legal means Once the men were released from prison they disbanded the Ladies Land League but women continued to play a crucial role in Irish history as they had for thousands of years Between the 19th and early 20th century an interest in all things Irish filled peoples minds and hearts Irish language literature history music sports and folklore became very popular all things suppressed for hundreds of years by Great Britain Patriotic women acted in plays taught classes and promoted Irish businesses Again they fed the Poor All this interest in Irish culture re inspired Nationalism which was never completely forgotten but kept in secret and the women as always were in the thick of things Women were teachers actresses fundraisers nurses They became soldiers wrote letters raised funds taught first aid Many came from educated wealthy backgrounds giving up all the comforts of their class the respect of their peers and at times shunned by family and friends Before the Easter Rising women were mostly left alone by British authorities but after the Rising everything changed including how they viewed Republican women Faced with imprisonment oppression rape and brutality women did not back down Not ever Ireland is a Republic today because of the brave men and women who refused to bow to a foreign power no matter what they lost There are lots of books about male Rebels in Ireland but only a few about women This is one of them **The Rebel's Daughter** John Gabriel Woerner,1899 The Rebel Henry Brereton Marriott Watson,1900

**The Littlest Rebel** Edward Peple,1914 Only a plea to President Lincoln can help when the father of a plantation girl is arrested and charged with espionage against the Yankees **The Rebels** Matthias McDonnell Bodkin,1921 *Catalog of Copyright Entries.
