Moving Into Math Core:

Moving INTO the Classroom Stacia C Miller, Suzanne F Lindt, 2017-09-06 This textbook focuses on research in movement integration and the benefits of physical activity to the child's physical cognitive emotional and social development. It includes research on and suggestions for integrating movement into English language arts mathematics science and social studies for lower and upper elementary students. Though the textbook is specifically aimed at elementary level teachers secondary teachers and pre service teachers can modify the activities to fit their lessons as well.

Response to Intervention in Math Paul J. Riccomini, Bradley S. Witzel, 2010 Provides educators with instructions on applying response to intervention RTI while teaching and planning curriculum for students with learning disabilities.

The Brilliance of Black Children in Mathematics Jacqueline Leonard, Danny B. Martin, 2013-01-31 This book explores transforming mathematics education for African American students historically denied quality schooling. It covers history policy identity and teacher preparation while highlighting successful Black students. Advocating for culturally relevant curricula and high expectations promoting instruction that empowers students.
