Peace Is Possible Prem Rawat,2019-06-06 A calming collection of allegories and illustrations from a world renowned peace ambassador Global peace ambassador Prem Rawat has spent his entire life travelling the world to deliver one timeless message Peace is Possible Conflict he explains takes place at three levels between countries between people and finally within each of us as individuals These levels are all interconnected Hence the conflict that rages within a person will lead them to seek out conflict with another Similarly conflict between people of one nation is likely to result in conflict between many nations So the first step to world peace is a simple one we must first find peace within ourselves Peace is Possible draws together age old stories which as they have been passed down over generations inspired and transformed the lives of millions From the power of adaptability to the importance of trust to the sticking place of courage these are the messages that will change the world For good

Is Peace Possible? Kathleen Lonsdale,2025-04-10 Kathleen Lonsdale was a groundbreaking chemist who was instrumental in developing the science of crystallography She was also a midlife convert to Quakerism who campaigned for peace and prison reform Horrified by the dropping of the first atomic bombs Lonsdale felt that the entire scientific community was now tainted by the violence it had enabled Published in 1957 Is Peace Possible was her attempt to make amends for this communal guilt by demonstrating that science can bring peace as well as war and can address the big questions generally left to the humanities In crystalline language and logic honed from a lifetime of relying on the sharpness of her mind to cut through barriers of class and gender Kathleen Lonsdale s Is Peace Possible is a work of quiet elegant sanity that refuses to be bullied by the received wisdom of war s inevitability It is a snapshot of a particular moment in history but its themes are eternally relevant and even more necessary now than when it was written

But the Greatest of These Is Love Edward M. Vigeant,2014-03-05 This new Thought System emphasizes application rather than theology It specifically states that a universal religion is impossible but a Universal Experience is not only possible but also necessary This Universal Experience is Love Universal means that all of the billions of people who have passed through this world since time began and all of the people who are here now seven billion would know God God is Love To know Gods Love within is to know God Where learning ends there is Love Love is not learned There was never a time in which you knew it not Once this new perception of God is accepted then everything changes The quiet Voice of Love will help you to reinterpret everything you have been taught as fearful and that makes you feel guilty and will change them to only what is loving is true There are no rules and regulations to obey You need do nothing The Power of Love will set you free It is not through any of your efforts Here is the ultimate release which everyone will one day find in his own way at his own time Think about this If Love is the primary focus of your life what are you going to do wrong Fear God and keep His commandments becomes Know God and accept His Certainty According to Wikipedia it is estimated that there are approximately 4 200 religions in the
