

PEER MEDIATION

Peer mediation is when trained students attempt to resolve conflicts themselves between others in the same age group.

DEFINITION

"Peer mediation is a voluntary process in which a student trained as a neutral third party helps other students in conflict get clear about their concerns, better understand one another, and come to a mutual agreement about how they want to handle their issues" (Block & Blazej, 2005, p. 3).

THE SIX STEPS

Step 1: Preparing for Mediation

Step 2: Delivering the Opening Statement

Step 3: Gathering Information

Step 4: Identifying Key Issues

Step 5: Exploring Options

Step 6: Finalizing an Agreement

Peer Mediated Instruction
