One Bright Shining Path W. Terry Whalin, Terry Whalin, Chris Woehr, 1993 High up on a steep mountainside in the Peruvian Andes and Indian shepherd boy watched his flock Though he could never have imagined it God had chosen him for a remarkable task The divine plan for Romulo Saune s life would lead him out of the isolation and poverty of his remote mountain village to a place of leadership in His church ultimately standing on the world stage with other international Christian leaders God d plan would take a boy handicapped by a learning disability nearly illiterate and eventually place him at the head of a ream of scholars translating the Bible into the Quechua language But at the light of the gospel penetrated the remote mountain regions of Peru another and very different gospel began to spread The Shining Path one of the world s most violent terrorist groups fanned out into the highlands in a ruthless campaign to coerce people to join their cause They believed that Peru s hope lay solely in the Maoist vision of a socialist society The Christians were just as convinced that Jesus Christ alone has the answers for the human heart and for the problems plaguing Peruvian society A collision was inevitable In the time of incredible suffering for the church one man s heroism and commitment to Christ stands out This is the story of his life One Bright Shining Path W.
