Encyclopedia of the New York School Poets Terence Diggory,2015-04-22 Presents an alphabetical reference guide detailing the lives and works of poets associated with the New York Schools of the early twentieth century **SELF-HELP TO I.S.C. REVERIE (A COLLECTION OF ISC POEMS) CLASS 11 & 12** Dr. J. Randhawa, Study Material for Reverie A Collection of ISC Poems *The Dragon* ,1886 *The Lebor Feasa Runda* Steven L. Akins,2008 In his highly anticipated English translation of the ancient Irish text known as the Lebor Feasa R nda Book of Secret Knowledge Celtic scholar and historian Steven L Akins has at last made available to readers the wealth of pre Christian teachings espoused by the Druids in this seminal work of pagan religious literature Basing his translation on the only extant transcription of the now lost Black Book of Loughcrew the actual doctrines of the Celtic priesthood are finally brought to light in this timeless rendering of these sacred scriptures Of the 180 Druidic texts mentioned in the historic Yellow Book of Lecan as being destroyed by St Patrick in his attempt to convert the pagan inhabitants of Ireland to Christianity the Lebor Feasa R nda alone survived as testimony to the spiritual beliefs and practices of the Celts in their original uncompromised form First transcribed by the Druid Mogh Ruith from a series of ogham staves long ago discovered in the tomb of Ollamh Fodhla one of Ireland s greatest early kings the Lebor Feasa Runda records the dispensation of a vast store of esoteric knowledge received by Ollamh Fodhla from a messenger of the Celtic gods known as the Tuatha D Danann Perhaps the most remarkable of all ancient Celtic texts the Lebor Feasa R nda contains not only an account of the earliest history of Ireland and the relationship of its inhabitants to the Celtic gods but it also comprises a full discourse on the Druidic religion providing a complete account of the sacred rites and ceremonies at the heart of this mysterious faith Since it was first recorded in the Black Book of Loughcrew the Lebor Feasa R nda miraculously survived for centuries traveling across Europe and passing through the hands of numerous individuals until it was ultimately acquired by the Ahnenerbe Forschungs und Lehrgemeinschaft who commissioned its translation into German in the days leading up to the Second World War The original volume was found missing on May 10 1941 the date Rudolf Hess made his ill fated flight to Great Britain lending support to allegations that Hitler s deputy F hrer had taken the ancient manuscript with the intention of presenting it as a gift to the Duke of Hamilton and Brandon who Hess planned to meet for the purpose of secretly discussing peace negotiations between Germany and Britain In the years since its disappearance the only known transcription of the Lebor Feasa R nda the German translation prepared by Henry Thorenson for the Ahnenerbe fell into obscurity until 2001 when it was discovered by Akins who was granted access to Thorenson s private records enabling him to complete and publish the first English edition of this remarkable and historic work
