

Out Upon It

*Out upon it, I have loved
Three whole days together;
And am like to love three more,
If it prove fair weather.*

*Time shall moult away his wings,
Ere he shall discover
In the whole wide world again
Such a constant Lover.*

*But the spite on't is, no praise
Is due at all to me:
Love with me had made no stays,
Had it any been but she.*

*Had it any been but she,
And that very face,
There had been at least ere this
A dozen dozen in her place.*
