

JACK AND JILL

BY MOTHER GOOSE

Jack and Jill went up the hill
To fetch a pail of water;
Jack fell down and broke his crown,
and Jill came tumbling after.

Up Jack got, and home did trot,
As fast as he could caper,
To old Dame Dob, who patched his nob
With vinegar and brown paper.

Poems Plain And Simple:

Plain and Simple Poetry Sue Crawford,2020-12-19 A book of simple easy to read poems that were composed in my spare time during Covid lockdown The poems are inspired by my own experiences my surroundings and observations Some of the poems are sad tales some happy and some a little bit silly I tried to write a poem daily using a prompt from an on line creative group and I found that I enjoyed writing about any given subject without any pressure Sitting down each day for ten minutes was very therapeutic and certainly helped me to relax I hope that this little book will inspire others to sit and write each day Poetry does not have to be profound or deep creativity is I believe in everybody we just need to find our own key to our own unique imagination *Even More Plain and Simple Poetry* Sue Crawford,2021-04-07 A further collection of over one hundred poems that were compiled during the third Covid lockdown I wrote poems each day using a prompt from a creative group Kick in the Creatives and I now write every day I truly enjoy sitting down each day to create a poem or two it is not only a creative activity but a well being activity too as a counsellor I know the importance of this The theme of plain and simple poetry remains and explores grief sorrow love and nature once more amongst other subjects I have included a section on nostalgia as I looked back upon my life particularly my childhood and teen years the memories that came back inspired my words I wrote a poem about my childhood home and my life back then with my siblings I have dedicated this third volume of poems to my brothers Robert and Tony Family is very important to me and there is also a poem about my darling grandson Joe My wish is that other people are inspired enough to write their own poetry and if they are then I will be a happy lady Enjoy Poetry Plain and Simple Celia Ransom,2014-08-15 Poetry Plain loss death patriotism friendship health memories and random thoughts This simple collection of poetry plainly speaks to our hearts often touching our souls and at other times our whimsy This collection reaches our emotions in a way that is at once deeply personal and universal

Poems Plain and Simple Mel Negaard,2004-03 Mel s first poem was written in 1997 That poem opened an unknown floodgate of creative energy that expressed love and caring for his family and friends It expanded to include commentary on current events and to pose questions and answers on our political spiritual technical sexual and playful state of being Mel has lived a unique life rich in experience He has overcome adversity and reflects joy in his poetry It covers the carefree independence of a child going skinny dipping with his brothers in a river to an infantryman carrying a Browning Automatic Rifle chasing Yamashita s army in retreat in the Philippines Mel had the honor of guarding General MacArthur in Japan He was an aerospace worker on a team to put man on the moon Poetry Plain and Simple Celia Ransom,2016-07-01 Poetry Plain Simple touches on all aspects of our lives love loss death patriotism friendship health memories and random thoughts This simple collection of poetry plainly speaks to our hearts often touching our souls and at other times our whimsy This collection reaches our emotions in a way that is at once deeply personal and universal **More Plain And Simple Poetry** Sue Crawford,2021-02-28 This second collection of poems have been inspired by life and love Following from my first book of

simple poems that I wrote during the first Covid lockdown the themes continue on life's observations concerning areas such as love of sorrow and loss and also a little of the lighter side of life I am a counsellor and so I do focus on emotions with the intention that others may read my poems and feel them The poems came together by writing down each day my thoughts from what I may have observed on the news or on social media sometimes the poems are personal and as a carer for my severely disabled son I try to open up my heart and share my honesty about how difficult life as a carer can be However this is not the entire focus of the book and there are a fair amount of light hearted creations inspired by for instance my dog and my family There is an assortment of subjects that come with the intention of delivering a variety of poems rather than concentrating on just one area I fully intend to concentrate on producing books that are more subject specific as my experience grows As an amateur writer I just write with the intention of expressing my own emotions and hopefully allowing others to identify with something that I write and maybe they can possibly see that they are not alone in how they feel As the title suggests the poems are plain and simple I intended for them to be easy to read rather than too profound There are just over one hundred in this collection just enough to enjoy with a coffee when one takes a little break

Robert Southwell, 1872 **Resistance to Science in Contemporary American Poetry** Bryan Walpert, 2011-09-26 This book examines types of resistance in contemporary poetry to the authority of scientific knowledge tracing the source of these resistances to both their literary precedents and the scientific zeitgeists that helped to produce them Walpert argues that contemporary poetry offers a palimpsest of resistance using as case studies the poets Alison Hawthorne Deming Pattiann Rogers Albert Goldbarth and Joan Retallack to trace the recapitulation of romantic arguments inherited from Keats Shelly and Coleridge which in turn were produced in part in response to Newtonian physics modernist arguments inherited from Eliot and Pound arguments influenced in part by relativity and quantum theory and postmodernist arguments arguments informed by post structuralist theory e.g. Barthes Derrida Foucault with affinities to arguments for the limitations of science in the philosophy sociology and rhetoric of science Some of these poems reveal the discursive ideologies of scientific language reveal in other words the performativity of scientific language In doing so these poems themselves can also be read as performative acts and therefore as forms of intervention rather than representation Reading Retallack alongside science studies scholar Karen Barad the book concludes by proposing that viewing knowledge as a form of intervention rather than representation offers a bridge between contemporary poetry and science *The Complete Poems of Robert Southwell S.J.* Saint Robert Southwell, 1872 The illustrated magazine, **Aspects of Poetry**
