The Princess of the Light Book One of the Saga of the Princesses of the Light by James McKenzie

The Princess of the Light by James A McKenzie is a fantastical ride through space among thousands of civilizations that achieved much but never conquered the problem of greed This is a story that could have taken place several thousand years ago or could possibly take place several thousand years in the future This ethereal tale began in the surface world of Sha nia whose great trading ship returned from the cosmos with unexpected cargo a plague that was so communicable that even trained medical personnel were unaware of it until it was too late In two days nearly the entire population had died Now 6 000 people were the beneficiaries of 50 billion In the Royal Palace only 25 survived including Queen Anne and her four children William Elizabeth Andrea and Andrew They knew they were safe with the resources to feed clothe and educate themselves However over time a problem came to light only 100 women and 5 men remained fertile how would they restore their population Now join the Sha nia in their adventurous travels to other civilizations as they look for ways to keep their planet alive

About the Author James A McKenzie is a Michigan native raised in Montrose and currently residing in Haslett The father of three children he has enjoyed coaching their sports teams An alumnus of Michigan State University he trained as an engineer and is a skilled metal model maker by profession able to create items that do not exist at present If it can be imagined he can make it In addition to writing his interests include sports and he has been a season ticketholder of Michigan State s women s basketball for years
