Pride Of Carthage:

Pride of Carthage David Anthony Durham,2006-01-03 This epic retelling of the legendary Carthaginian military leader's assault on the Roman empire begins in Ancient Spain where Hannibal Barca sets out with tens of thousands of soldiers and 30 elephants After conquering the Roman city of Saguntum Hannibal wages his campaign through the outposts of the empire shrewdly befriending peoples disillusioned by Rome and with dazzling tactics outwitting the opponents who believe the land route he has chosen is impossible Yet Hannibal's armies must take brutal losses as they pass through the Pyrenees mountains forge the Rhone river and make a winter crossing of the Alps before descending to the great tests at Cannae and Rome itself David Anthony Durham draws a brilliant and complex Hannibal out of the scant historical record sharp sure footed as nimble among rivals as on the battlefield yet one who misses his family and longs to see his son grow to manhood Whether portraying the deliberations of a general or the calculations of a common soldier vast multilayered scenes of battle or moments of introspection when loss seems imminent Durham brings history alive Pride of Carthage David Anthony Durham,2005 There is a Latin saying Hannibal ad portas Hannibal is at the door and it was said Roman parents used it to threaten their misbehaving children if a child was bad the parent would tell them that Hannibal was coming for them the modern equivalent is the bogeyman Such was the fear Hannibal Barca instilled in mighty Rome the ancient world's most celebrated figures and the Second Punic War 218-202BC a long bloody conflict between the two super powers of the times that hinged on the genius the ambition and the personal tragedies of two towering individuals Hannibal Barca of Carthage whose military genius became the stuff of legend and Publius Scipio of Rome History of course records us the outcome that Rome would be the victor surviving to become the colossal Empire we know of while Carthage was burned to the ground and all but erased from history But it was a close run thing and the world might have been a very different place had Hannibal succeeded in stifling the might of Rome of armies traversing frozen snow covered mountains of battles won or lost by brilliant generals fighting in ingenious cunning ways of a time when elephants were employed in much the same way as we now use tanks And it's a novel teeming with superbly drawn memorable characters and multi national players both historical and imagined from the Numidian horsemen of North Africa to the naked sword swinging Celts of Northern Spain from the ranks of Roman legions to slaves and freemen of all colours and from all corners of the ancient Mediterranean world Hannibal David Anthony Durham,2006-04 In ancient Rome parents used to silence misbehaving children with the utterance Hannibal ad portas Hannibal is at the door Such was the fear and awe that Hannibal Barca instilled Told in arcing epic technicolour this is the story of one of the ancient world's most remarkable figures and the long bloody conflict between the two superpowers of the times the Second Punic War 218-202BC that hinged on the genius the ambition and the personal tragedies of Hannibal Barca of Carthage whose military prowess became the stuff of legend and Publius Scipio of Rome History of course tells us the outcome that Rome would be the victor surviving to become a colossal imperial power while

Carthage would be all but erased from history It was however a close run thing And the world might have been a very different place had Hannibal succeeded in thwarting the might of Rome PRIDE OF CARTHAGE is a sweeping thrilling story of ancient warfare of armies traversing frozen snow covered mountains of battles won or lost by brilliant generals fighting in ingenious cunning ways And it s a story teeming with superbly drawn memorable characters and players historical and imagined from Numidian horsemen and the Roman legions to the slaves and freemen from all corners of the ancient Mediterranean world

Pride of Carthage David Anthony Durham,2006 A saga set against the backdrop of the ancient Punic Wars describes Hannibal s struggle against the Roman Republic his decision to attack Rome via a land route deemed impossible and a young Roman military leader who defeated him
