Burns, 2021-01-25 If you have ever wondered how the Old Testament can speak to today's needs this book is for you Jeff has laid out an approach to the Pentateuch that provides theology as well as lessons for the Christian life Chad Moore Senior Pastor The Church at LifePark Mount Pleasant SC **A Primer for Preaching from the Pentateuch** is for preachers and teachers searching for biblical texts to share with their congregation or their students no matter the level of education or experience While it is not an end all work it provides a case for preaching from the Old Testament particularly the first five books One will discover an overview some important matters to consider and ideas for preaching narrative genre and each individual book Significant passages from each one are dealt with as well The selected texts are commented on with practical implications and questions for deeper reflection Bible preachers and teachers are always searching for ideas and seeds to germinate into a sermon or series of messages **A Primer for Preaching from the Pentateuch** is a resource for developing and building sermons from an all too often overlooked part of Scripture **The Art of Preaching** Daniel Cardo, 2021-08-27 **The Art of Preaching** A Theological and Practical Primer explores the theological understanding of the homily lessons from classical and contemporary rhetoric the relevance of preaching for the life of the Church highlighting recent teachings of the Magisterium and it presents the incarnation as the foundation for preaching understood as an essential aspect of the priestly life and mission This primer offers a simple and effective method for the preparation and delivery of homilies The book also provides a selection of homilies from the great preachers of the Church organized chronologically with brief introductions and commentaries that highlight what those homilies teach us for preaching today **A Guide to Preaching** Reginald Ernest Oscar White, 1973 **Making the Timeless Word Timely** Michael B. Brown, 2013 There is a simple formula for sermon preparation that creates messages that apply and engage whether your parish is rural or urban young or old rich or poor five thousand members or fifty writes Michael Brown in the preface to **Making the Timeless Word Timely** The other part of the task of course involves being creative and insightful enough to know how to take the general formula for sermon preparation and make it particular in its impact on a specific congregation Michael Brown guides the reader through the formula and the skills to employ it with excellence and integrity He also offers twelve examples of sermons that illustrate the approaches and do indeed make the timeless Word timely **A Primer on Preaching** Alfred Perks Gibbs, 2012-03-01 **Helpful Information To All Who Are Interested In The Preparation And Presentation Of The Gospel Message** **A Primer on Preaching** Alfred Perks Gibbs, 1939 **A Primer on Preaching** Alfred Perks Gibbs, 1946 **The Pastor's Primer** O. S. Hawkins, 2006 The journey throughout this pastor's primer will take us through 26 chapters Each chapter contains a PowerPoint where we will deal with the power of the subject at hand There is also a PracticalPoint where we will seek to put our hand on the handle of

how to do ministry at the chapter's particular point of interest. This is followed by a PressurePoint. Here we will be cautious of various things to avoid and seek to be watchful of potential problems which could possibly arise at the point of the particular chapter's topic. Then we will come to a PulpitPoint where we will establish a biblical basis using an expository sermon outline for the chapter's primary subject. Finally, each chapter will conclude with a PersonalPoint at which the reader will have opportunity to make personal applications for future considerations. A Primer of Homiletics Thomas A. Carney, 2011-05-01

A Preacher's Primer David Alexander MacLennan, 1950 *A Lutheran Primer for Preaching* Edward O. Grimenstein, 2015. An aide in assisting Pastors in understanding the theology behind the act of preaching and provides students the forum to discuss some of the necessities that should be considered in sermon writing. **A Primer for Training Effective Preachers in the Local Church** Mark Frazee author, 2020. This Doctor of Ministry project developed practical training in effective preaching for the Evangelical Free Churches of the Quad City area. The training provided good reminders and fresh insights for experienced preachers and thorough instruction for those who are new to preaching. The first step was to come up with well rounded training material that addressed the whole process of preaching. This was drawn from the Bible and twenty four books on preaching and arranged in six sessions. Then a pilot group of pastors and teachers was organized to interact with this material. These sessions were presented to the pilot group in an interactive manner. During and after each session feedback was solicited to discover how effective the material was for preaching and how it could be improved for training others. Finally the training material was revised and returned to the pastors and teachers for their refreshment and use in training others to preach. The revised training material was thought to be effective for experienced and beginning preachers especially if each person applies what is discussed to a specific Bible text to form a sermon. *Christian Preaching* Michael Pasquarello, 2006. There are many books that give preachers hints about engaging speaking or methods for creating sermons. This homiletics primer focuses not on the how to of preaching but on the theological foundation of the very act of preaching itself introducing students and pastors to a thorough understanding of why they preach or will preach. Michael Pasquarello III takes a biblical and historical look at preaching calling all preachers to think theologically regardless of denomination audience or preaching style when they proclaim the Word of God. Each chapter concludes with a sermon example that shows the practical way that such theology works itself into the pulpit. Publisher **Biblical Preaching** Haddon W. Robinson, 2014-03-18. This bestselling text by Haddon Robinson considered by many to be the teacher of preachers has sold over 300,000 copies and is a contemporary classic in the field. It offers students, pastors, and Bible teachers expert guidance in the development and delivery of expository sermons. This new edition has been updated throughout and includes helpful exercises. Praise for the Second Edition. Named One of the 25 Most Influential Preaching Books of the Past 25 Years by Preaching. An outstanding introduction to the task of preparing and presenting biblical sermons. More than any other book of the past quarter century, *Biblical Preaching* has profoundly influenced a

generation of evangelical preachers Preaching **A Primer on the Art of Expository Preaching** C. Matthew
McMahon, 2025-08-14 In our modern day pulpit speakers cause the people of God to groan under the weight of shallow
anecdotes and lifeless performances A Primer on the Art of Expository Preaching calls preachers back to the sacred task of
rightly dividing the Word of truth With the clarity of a craftsman and the conviction of a herald C Matthew McMahon sets
forth the forgotten essentials of sermon preparation doctrinal precision and Spirit filled delivery This is not a book for the
academic shelf padded with footnotes and obscured by jargon It is a working manual clear forceful and uncompromising With
careful instruction drawn from Scripture the Reformers the Puritans and thirty years of pastoral labor in preaching McMahon
walks the preacher through the weighty calling of proclaiming God s Word from exegesis and outlining to doctrinal
development to application and homiletics Every chapter presses the point this work is holy work and must be done precisely
for the glory of Jesus Christ Whether you are a seasoned minister or newly entering the pulpit this volume will sharpen your
understanding convict your heart and deepen your resolve Preaching is not public speaking It is not suggestion It is the
ordinance God uses to convert to sanctify and to shake the gates of hell And if a man refuses the labor it demands let him get
out of the pulpit and into the pew Read this book slowly Pray as you go Look to Christ Then preach the Word with gravity
clarity and fire
