

Primitive Pottery

Daniel F McAuley

Primitive Pottery:

Primitive Pottery Hal Riegger,1972 Describes the ways by which pottery can be made in the field without benefit of the well equipped studio It briefly explains how pottery was made before the discovery of kilns and shows how students and experienced potters today can use primitive methods and devise their own variations on them to better understand the nature of clay and fire

How to Make Primitive Pottery Evard H. Gibby,1993-08 *Korean Food and Foodways* Cherl-Ho Lee,2022-08-21 This book offers an excellent introduction to Korean functional foods and shares latest important information for food scientists and nutritionists including accurate up to date information on Korean food science together with background information archeological findings as well as food methods and research on Korean fermented foods e g grain wine kimchi jeotgal and soybean sauces It also discusses historical backgrounds and manufacturing method details of traditional food categories such as rice cakes sweets fermented sauces and alcoholic and non alcoholic beverages and helps us understand the full science behind Korean traditional food This book elaborates on the various changes in food culture brought about by recent updates and inspires future contributions of Korean food concepts particularly regarding the latest research on the intersection of food and Traditional Eastern Medicine While the book will be particularly valuable for researchers and scholars interested in specifics in food science it will also appeal to traditional medicine researchers seeking new knowledge for current functional foods
