## Princes Tutor:

**The Royal Tutor, Vol. 2** Higasa Akai,2015-08-18 When the king returns to court it s time for the princes to prove their mettle But not everyone s been exactly keeping up with Heine s lessons Hint It s the prince who only scored a one on his assessment test and that was for signing his name Can Heine really whip these boys into shape well enough to rule a country

*The Royal Tutor, Vol. 7* Higasa Akai,2018-05-22 Princes Kai Bruno Leonhard and Licht have been making great strides thanks to an excellent education from Heine the royal tutor Even so with the return of Prince Eins the eldest of the brothers and heir apparent to the crown the wall they must climb in the struggle to become the most qualified candidate for the throne looks more colossal than ever Can the four younger princes stand up to their biggest rival *The Royal Tutor, Vol. 17* Higasa Akai,2022-08-09 Seeing how the young princes have grown under Heine s tutelage King Viktor decides the time has come to choose his successor His five sons will have one last opportunity to demonstrate their worthiness in the form of a speech that will be delivered to the whole city The future of Granzreich will be decided in the final volume of The Royal Tutor

**The Royal Tutor, Vol. 1** Higasa Akai,2017-05-23 Accepting the post of royal tutor at the court of the king of Granzreich Heine Wittgenstein is a little professor with a big job ahead of him Each of the kingdom s four princes has a rather distinct personality Does their diminutive new instructor have what it takes to lay down some learning It s a comedy of educational proportions *The Royal Tutor, Vol. 16* Higasa Akai,2022-04-26 For the duration of Eins s mysterious isolation the young princes have been barred from seeing their older brother But as Count Rosenberg grows more desperate to help his friend he finally decides to allow a meeting only to discover that Eins has vanished *The Royal Tutor, Vol. 6* Higasa Akai,2018-04-17 Heine and the princes have overcome many a difficulty together deepening the mutual trust between the teacher and his pupils But even though Heine has walked closely alongside the princes as they slowly come into their own the royal tutor himself still remains a mystery to them When Count Rosenberg claims to know who he really is could Heine s secretive past become public knowledge **The Royal Tutor, Vol. 5** Higasa Akai,2018-01-30 Prince Licht s fascination with coffee should come as no surprise given his affinity for his part time job at the cafe but when Leonhard suggests the bitter drink should be banned from the kingdom can Lichie help him develop an appreciation

**Emperor Huizong** Patricia Buckley Ebre,2014-01-06 China was the most advanced country in the world when Huizong ascended the throne in 1100 CE Artistically gifted he guided the Song Dynasty toward cultural greatness but is known to posterity as a political failure who lost the throne to Jurchen invaders and died their prisoner In this comprehensive biography Patricia Ebre corrects the prevailing view of Huizong as decadent and negligent recasting him as a ruler ambitious in pursuing glory for his flourishing realm After a rocky start trying to overcome political animosities at court Huizong turned his attention to the good he could do He greatly expanded the court s charitable ventures founding schools hospitals orphanages and paupers cemeteries Surrounding himself with poets painters and musicians he built palaces temples and gardens of unsurpassed splendor Often

overlooked however is the importance of Daoism in Huizong's life. He treated spiritual masters with great deference, wrote scriptural commentaries, and urged his subjects to adopt his beliefs and practices. This devotion to the Daoist vision of sacred kingship eventually alienated the Confucian mainstream and compromised Huizong's ability to govern. Ebrey's lively biography adds new dimensions of understanding to a passionate, paradoxical ruler who many centuries later inspires both admiration and disapproval.

**The Royal Tutor, Vol. 4** Higasa Akai, 2015-10-06 Heine's efforts to shape the princelings into worthy successors to the throne continues, but it seems that Bruno in particular is struggling with a bit of a crisis of conscience when it comes to his future. Can he live up to Heine's standards to remain his apprentice? More importantly, does he have the courage to carve out his own path?

**The Royal Tutor, Vol. 3** Higasa Akai, 2015-09-29 Sometimes kind, sometimes strict, Heine is prepared to employ any means necessary to draw forth his princeling students' potential. But seriously, what's a royal tutor got to do to enjoy a simple, quiet day off? With royal engagements, reluctant readers, and secret lives seemingly everywhere, he turns Heine may need to up his game if this kingdom is to have any hope for the future at all.

**The Royal Tutor, Vol. 15** Higasa Akai, 2021-06-22 Rumors of Heine's bloody connection to their father initially causes the princes' trust in their tutor to waver. When the truth of how Heine came to be the royal tutor is fully brought to light, will the darkness of years past yield to a brighter future together?

*The Political Theory of Christine de Pizan* Kate Langdon Forhan, 2017-07-05 Few medieval or Renaissance political writers, male or female, wrote more works on politics than Christine de Pizan. None of them addressed audiences so varied in class or gender. Yet until now there has been no comprehensive, full-length study of Christine de Pizan's political thought. With *The Political Theory of Christine de Pizan*, Kate Forhan rectifies this oversight, situating de Pizan in the history of political thought while discussing traditional concerns of political theorists such as justice, obligation, law, equality, and just war. Forhan also addresses the question of whether Pizan's work is original or derivative, whether she is a theorist or merely a political writer. Between 1400 and 1429, at a time of great civil strife in France, Christine de Pizan wrote ten books for the instruction and guidance of those engaged in political life. Her theory is focused on a politics of inclusion, which validates the essential contribution of each member of the body politic to the whole, despite socially and politically mandated differences of class, nationality, and gender—ideas not without significance to the modern era. As Forhan demonstrates through analysis of her work, the thought of Christine de Pizan has true relevance for modern times. First, hers was a society in transition: new class structures, new occupations, and new aspirations were appearing behind the crumbling structures of the late medieval world. Secondly, Christine de Pizan was an outsider: a woman in a world dominated by men, an Italian in France, a member of

the meritocracy at a court that was rigidly hierarchical Her difference gave her the perspective to observe her society objectively Her personal vulnerability allowed her to see politics more clearly as those who are most vulnerable might see our own Thirdly she was a shrewd observer in a country that was emerging as a nation state where new concepts and practices of law justice administration and politics in general were in the process of development This book will be of interest to political theorists and political scientists medieval historians historians of women and gender and scholars of comparative literature

*The Bhishma Way* N Balasubramanian,2015-12-24 Contemporary dilemmas whether in business or politics bear an uncanny resemblance to the predicaments witnessed in the ever timely epic the Mahabharata Who else but Bhishma Pitamah then to the rescue of the modern day manager politician or bureaucrat In the epic Bhishma is the upholder of truth and dharma his life shaped by the difficult choices he makes He isn t always infallible but even where his decisions are questionable he serves as a role model Prof N Balasubramanian uses this powerful figure and his selfless values as a guide to make the right choices in *The Bhishma Way* He discusses the importance of values dharma truth justice and governance in businesses and governments Analyses of real life cases among them Union Carbide and the Bhopal gas tragedy James Hardie and asbestos in Australia and Ok Tedi in Papua New Guinea complement the mythological stories and insightful anecdotes in this illuminating and thought provoking book This serves as an instructive read for anyone striving for a higher moral code in day to day decision making and leadership
