Report Of The Shroud Of Turin:

Report on the Shroud of Turin John H. Heller, 1984-09 Heller while a man of science was nevertheless a devout man Southern Baptist He viewed his task concerning The Shroud with great scepticism there have been far too many hoaxes in the world of religion The book describes in great detail the events leading up to the team s conviction that the Shroud was genuine last not least being Heller and Adler s verification of heme blood and the inexplicable burned image of the crucified man Although carbon dating indicates that the image is not 2000 years old and that the cloth is from the Middle Ages there is not enough evidence to disprove Heller s assertion that the Shroud is indeed genuine Amazon com **Crucified in the Media** C.
