Requiem At The Refuge:

Requiem at the Refuge Carol Anne O'Marie,2010-04-01 A San Francisco nun author O Marie evokes convent life in the 90s with simple reverence and gentle humor Publishers Weekly Sister Mary Helen is dismayed when after the unexpected death of Sister Cecilia the president of Mount St Francis College Sister Patricia is appointed the post Sister Mary Helen is not in the new president's best graces and feels she surely will be asked to retire But the chance to volunteer at a drop in center for abused women and serve on the board quite revives Sister Mary Helen's flagging spirits until a young woman who frequents the center is murdered

The Corporal Works of Murder Carol Anne O'Marie,2002-08-03 Poor Inspector Gallagher his premonition was right Sister Mary Helen is once more in the middle of a homicide case Not that she wants to be No one would envy the poor nun who finds herself holding a dying young woman shot to death in the street almost directly outside the Refuge for homeless women where Mary Helen volunteers And even while she grieves over the loss of life Mary Helen spots something odd about the victim Although she is wearing near rags her skin is unblemished and healthy looking Her perfect teeth are white and unstained She doesn't look like a woman whose life has been spent in poverty in the streets Mary Helen's feeling is borne out when she discovers that the dead woman was a Vice Department officer trying to find the people responsible for a neighborhood prostitute ring And in spite of her own conscience warning her the old nun feels that since the murder happened in front of HER refuge it is her duty to find the officer's killer She justifies this by telling herself that her connections with the women who use the Refuge put her in a unique position to get some inside information about what is going on in their neighborhood After all isn't one of the Refuge's very own women Geraldine the aunt of Junior Johnson And isn't Junior just about the most powerful and knowledgeable man in the hood So Sister Mary Helen plunges in determined to find Sarah Spencer's killer Her invasion of the case enrages Inspector Gallagher but if she is to succeed his further fury will be well worth Mary Helen's triumph The police officers assigned to the crimes that turn out to be hers might make a case that someone Mary Helen's age is running a serious risk when she deals with criminals and their world But the delightful old nun has the weapons of her logical mind and her determination And just maybe Someone whom she serves is rooting for her In any case she is able to work out of perilous situations come up with commonsense answers and gather a huge circle of loving fans as she meddles in murder

can illuminate some of the literature of the period This book will be of interest to students and teachers of English literature
