

Brief Background/Introduction

- RA No. 11057 or Personal Property Security Act (“PPSA”) was enacted on August 17, 2018, to strengthen the secured transactions legal framework in the Philippines, and provide for the creation, perfection, determination of priority, establishment of a centralized notice registry, and enforcement of security interests in personal property (tangible and intangible), except aircraft and ships.
- Although this law took effect on September 7, 2018, 15 days after the publication in two newspapers of general circulation, its full implementation is conditioned upon the Registry being established and operational. However, the registry has not yet been established as of this writing but the implementing rules and regulations of the PPSA (“PPSA Rules”) were published last November 18, 2019 and have become effective on December 3, 2019. Nevertheless, the PPSA Rules directed the Land Registration Authority to establish the registry within six months from the publication of the PPSA Rules.
