PERSONALITY: INTRODUCTION

## CONCEPT OF PERSONALITY

The term 'personality' often appears in our day-to-day discussion. **The literal meaning of personality is derived from the Latin word persona, the mask used by actors in the Roman theatre for changing their facial make-up. After putting on the mask, audience expected the person to perform a role in a particular manner. It -did not, however, mean that the person enacting the given role necessarily possessed those qualities.**

For a layperson, personality generally refers to the physical or external appearance of an individual. For example, when we first see someone (read looking at you
