## **Peter Lanyon:**

*Peter Lanyon* Ikon Gallery (Birmingham),1978      *Peter Lanyon* Andrew Causey,2006-10-30 Causey examines the elegiac nature of some of Lanyon s early work and asks to what extent his experience of war death and physical destruction map onto his presentation of the imagery of western Cornwall      **Peter Lanyon** Margaret Garlake,1998      **Peter Lanyon** Chris Stephens,2000 Peter Lanyon was one of the most exciting and original landscape painters of the 20th Century The only native born Cornishman of the St Ives artists Lanyon s representation of the land he grew up in was complex and passionate for him it was part social history part myth part aesthetic This book the first major assessment of Lanyon s work explores how the artist s words and paintings interrogate the very notion of how landscape is perceived and conceived It tells of Lanyon s singular place within the 20th century s major art movements abstraction and the post war British figurative tradition alongside his strong belief in employing landscape and place to explore questions of personal identity Book jacket

**Peter Lanyon: His Painting** Peter Lanyon,Andrew Causey,1971 British painter Peter Lanyon transformed the art of landscape rescuing it from picturesque depictions of the English countryside and resituating it as an art form capable of expressing radical ideas The old European tradition of landscape mostly concerned with ownership and leisure and not the daily life of the working class was of no interest to Lanyon His work instead reframed the consequences of war and industrialization upon a rapidly changing coastal landscape In *Peter Lanyon* Andrew Causey sets out to explain just how this transformation occurred Lanyon s family resided in West Cornwall for generations and Causey asserts that the artist s concern with regional identity along with his resistance to what he saw as a history of outsider exploitation of St Ives and the surrounding areas were integral to his art Drawing on recent work by cultural geographers anthropologists and archeologists Causey makes sense of Lanyon s relationship to the landscape and the pre capitalist economy of his region Provocative and insightful *Peter Lanyon* is a thoroughly illuminating examination of the modern life of a landscape artist      **Peter Lanyon**
