Peter Sellers:

Peter Sellers Alexander Walker, 1981 The Life and Death of Peter Sellers Roger Lewis, 1997 Traces the life and career of the British actor discusses his major roles and depicts his complex and often difficult personality *The Life and Death of Peter Sellers* Roger Lewis, 1995 Sellers has long been acknowledged as one of the screen's greatest comic actors In this biography Roger Lewis draws on over 300 interviews with Sellers's family, wives, mistresses, enemies, and co-stars to show how he succeeded and why it was at such a cost to himself and to those who he professed to love **Mr. Strangelove** Ed Sikov, 2003-11-01 A biography of one of the 20th century's greatest comic actors A compulsive page turner Michael Palin The New York Times Book Review Sikov's air-minded thoughtful and honest look at Sellers may be all the understanding anyone will ever have of the strange comedian and in fact is probably all anyone needs Washington Post Book World Peter Sellers's explosive talent made him a beloved figure in world cinema and continues to attract new audiences With his darkly comic performances in *Dr Strangelove* and *Lolita* and his outrageously funny appearances as Inspector Clouseau in the Pink Panther films he became one of the most popular movie stars of his time Sellers himself identified most personally with the character he played in *Being There* an utterly empty man on whom others projected what they wanted or needed to see In this lively and exhaustively researched biography Ed Sikov offers unique insight into Sellers's comedy style Beginning with Sellers's lonely childhood with a mother who wouldn't let go of him through his service in the Royal Air Force and his success on BBC Radio's *The Goon Show* Sikov goes on to detail his relationships with co-stars such as Alec Guinness Sophia Loren and Shirley MacLaine his work with such directors as Stanley Kubrick Billy Wilder and Blake Edwards his four failed marriages his ridiculously short engagement to Liza Minnelli and all the other peculiarities of this eccentric man's unpredictable life The most insightful biography ever written of this endlessly fascinating star *Mr Strangelove* is as comic and tragic as Peter Sellers was himself A must for Sellers fans Providence Journal Sikov a film critic biographer and academic methodically and exhaustively surveys the life and oeuvre of one of cinema's comedic geniuses The new standard Enthusiastically endorsed Library Journal *Peter Sellers* Michael Starr, 1991 Peter Sellers left behind a rich legacy of film work some of which is only belatedly recognized for its genius Especially notable were his numerous crazy accents Though he generally is identified as the slapstick Inspector Clouseau of the Pink Panther series from 1964 on he is recalled by many for such earlier efforts as his triple role in *The Mouse That Roared* 1959 and his masterly breakthrough to the mainstream American market in *I'm All Right Jack* 1959 This book analyzes each Sellers film from 1951 not least his Oscar nominated triple role stint in *Dr Strangelove* He also turned in a brilliant performance as the slyly sinister Clare Quilty in *Lolita* Interesting anecdotes behind the scenes information a detailed plot summary contemporary criticism and the author's own analysis are given for each film Complete filmographies and index **Life and Death of Peter Sellers** R. Lewis, 1992-10 This biography of one of cinema's greatest comics is published to commemorate the 10th anniversary of his death It aims to

explain how Sellers succeeded and at what cost to himself It is based on interviews with Sellers family and friends and tackles the subject of the actor s insanity **Remembering Peter Sellers** Graham Stark,1990 Peter Sellers was a man of many passions and crazes with a character as complex and diverse as the legendary screen characters he created In this warm and intimate memoir actor Graham Stark Sellers close friend and confidant for 35 years chronicles the real story of the man and the actor and reveals the extraordinary times they shared together throuought their long and personal relationship

Peter Sellers Adrian Rigelsford,2006-03 British actor Peter Sellers left an indelible mark on the history of comedy This book details his extraordinary career from his first stage appearance as a babe in arms his early days in show business the classic radio era to the heights of Hollywood stardom It is packed with stories anecdotes from those who knew admired him as well as interviews with Sellers himself Fully illustrated with a unique collection of photographs the book is an affectionate tribute to this great man recapturing all those wonderful characters he brought to life Above all it is intended to do what he did best make you laugh *Sellers Family of Pennsylvania, and Allied Families* Edwin Jaquett Sellers,1925 **Peter**

Sellers Arthur Miller,2018-06-08 Peter Sellers illustrated colour biography [The Life and Death of Peter Sellers](#) Roger Lewis,Peter Sellers,2000-02-01 Sellers fluidity as an actor made for a terrifying madness that grew like a slow metastasizing cancer throughout his adult life The story of Peter Sellers concludes with his premature death at the age of 54 sick at heart and alone in those sunless hotel rooms so recoiled from intimacy that no one really knew him anymore *The Life and Death of Peter Sellers* Christopher Markus,Stephen McFeely,2000 Peter Sellers was one of the most gifted British comic actors of his time perfectly moving from costume to costume and accent to accent in a series of films that ranged from brilliant to awful Despite his brilliance as an actor Sellers led a deeply disturbing personal life The actor is best remembered as Inspector Clouseau in the Pink Panther movies Despite his Hollywood success Peter Sellers comic virtuosity belied a troubled private life *Proprietary and Other Tax Lists of the County of Bucks for the Years 1779, 1781, 1782, 1783, 1784, 1785, 1786* Bucks County (Pa.),1897 *Hi Fi/stereo Review* ,1961 [The Real Peter Sellers](#) Andrew Norman,2022-01-12 Throughout the world people regard Peter Sellers purely as a comedic genius surely one of the greatest ever to have lived But the astute observer will notice that he always appeared to be acting even when being interviewed So who was Peter Sellers Sellers once said I could never be myself you see There is no Me I do not exist There used to be me but I had it surgically removed Clearly this was not intended to be taken literally Instead the inference is that somehow he had lost his sense of identity To discover the real Peter Sellers is no easy task and when we do what we encounter is a totally different persona from the comedic characters that he portrayed on the screen Sellers had celebrity status a succession of beautiful wives immense wealth magnificent motor cars expensive yachts a house in Mayfair and various palatial residences But far from being happy he was plagued by self doubt ambitious but never satisfied And so he resorted to superstition clairvoyance and drugs to get himself through the day For all Sellers worldwide fame as Inspector Clouseau many regard the film Being

There in which he played the character Chance a gardener as his masterpiece In fact the film was a damning indictment of the false god of materialism Sellers obsession with the character of Chance makes it seem likely that this was the kind of person he aspired to be and wished that he had been
