**An Inside Out Revelation** David R Cotterill,2023-11-02 Humanity is in trouble and it s not looking good for our future The way we use our minds has caused untold damage through personal anxiety national disruption and the threat of global annihilation This book reveals how we innocently misuse our thinking to create emotional and behavioural instability and how to interrupt dysfunctional patterns and experience a higher quality of thought We explore how present day spiritually based psychology is re aligning with ancient biblical principles providing an opportunity for everyone to participate in change from the inside out Unboxing this ancient wisdom reveals that there has always been two conflicting routes to enlightenment operating in our world both promising a life beyond the material realm so discernment is required and this is where the renewed mind will be our guide To understand the source of these routes and the invisible forces behind them we journey back to the very dawn of the human era to the first moment humans were offered the choice between spiritual life or death Back then we made the wrong choice resulting in spiritual isolation and the need to develop a mind suited to self survival but the way is still open for redemption and the choice of life or death for all humanity is one for the ages We each have freedom to choose It s not too late for renewal of the mind and the heart and the soul of humanity

**Renewing the Mind** Silvanus Oluoch,2019-02-14 Renewing the mind after new birth and thereafter is one of the most important aspects of Christian living yet the least understood It is one of the keys to a vibrant Christian life granting us a grasp of the intimacy with truth that is necessary for Christian stability in the faith Some of us are unaware that our minds are never regenerated in the new birth the mind is only transformed thereafter This book **Renewing The Mind** explains in plainness the necessity for this phenomenon Everyone needs a clear and clean perception and that they can get dependent on their frames of mind The mind controls life and as such a renewed mind is a renewed life No wonder the author has captioned it on the book cover stating **Renew your mind change your life** That is not just a catchphrase it is a fact a renewed mind brings a changed perception even in worship Since no one can worship without a mind it is then necessary that the minds engaged in that exercise be in an acceptable condition for it renewed That could be why Paul implored

Christians to be renewed in the spirit of their minds True worship does not disregard the mind or leave it behind Paul implied in his address to the Romans that God delights in our reasoned or rational or even further intelligent worship He called it our reasonable service Seemingly God delights in your worship if it intelligent that is if it involves your mind or intelligence And since God has begun His work of newness in us our minds too must be renewed I believe this is something for every Christian as everyone can benefit from a renewed mind
