Selling Edge:

The Selling Edge Bret J. Barrie, 2017-01-11 There is no such thing as a natural born salesman. Schools don't teach effective sales training or the ability to influence a person's decision-making process. Very few people graduate college with the intention of getting into sales. However, sales is where many people end up. Once you're in the sales industry, you'll find yourself competing against highly skilled salespeople with years of experience. This doesn't have to be your experience. With proper direction and daily practice, not only can you find tremendous success in sales, but you can also love it. In *The Selling Edge*, veteran salesman Bret Barrie will teach you how to collaborate with mentors for continued success and improvement. Build strong connections and gain the trust of customers and prospects instantly. Work your plan without letting your plan work you. Identify, access, and influence key decision makers in every sale. Develop top-notch selling skills to grow your business. Whether you're new to sales and looking to get off to a strong start or you've been selling for years and want to improve your skills or learn better habits, this book is for you. *The Selling Edge* Stephen Dolton, 2024-04-06 In the ruthless world of sales, standing out is essential, and *The Selling Edge* is your secret weapon for doing just that. Say goodbye to outdated sales tactics and welcome to a revolutionary approach that will transform you into a sales superstar. Inside these pages, you'll discover the strategies, techniques, and mindset shifts that top performers use to conclude deals and crush quotas. From mastering the art of persuasion to building unbreakable rapport with clients, *The Selling Edge* provides you with everything you need to obtain a competitive edge and dominate your industry. Packed with actionable insights, real-world examples, and step-by-step guidance, this book will show you how to craft irresistible sales presentations that captivate your audience, overcome objections with comfort and confidence, build lasting relationships that lead to repeat commerce, leverage social media and digital tools to supercharge your sales efforts, and develop a winning mindset that propels your success. Whether you're a seasoned sales pro or just starting out, *The Selling Edge* will revolutionize the way you approach selling and help you achieve unparalleled success. Get set to unleash your full potential and become a sales powerhouse with *The Selling Edge* as your guide. **The Trading Edge** Rickey Cheung, 2006-10-13 *THE TRADING EDGE* How to trade Like a Winner Rickey Cheung's work is outstanding. His book is highly recommended, not only for the logic of his systematic approach in developing a trading edge, but primarily for the approach he presents in becoming a successful trader. His systems have been tracked for over two years now without benefit of hindsight, and the results speak for themselves. No. 1 in the SP500 systems in current issue. John Hill, *Futures Truth* magazine. Rickey Cheung lays out in plain language a step-by-step detailed trading plan for anyone who has the thirst and discipline to become a truly successful trader. After reviewing literally hundreds of trading systems and methods each year, I can say that he has succeeded in producing what seems to be his life's masterpiece. His method and style are inspiringly different, innovative, and unique. James R. Casper, Founder, Olive Tree Capital. Rickey Cheung has created a masterpiece that provides a practical and comprehensive perspective of today's market trading.
