Sederholm,Mark I. West,2023-06-28 This work demonstrates that not everything that Disney touched turned to gold In its first 100 years the company had major successes that transformed filmmaking and culture but it also had its share of unfinished projects unmet expectations and box office misses Some works failed but nevertheless led to other more stunning and lucrative ones others shed light on periods when the Disney Company was struggling to establish or re establish its brand In addition many Disney properties popular in their time but lost to modern audiences emerge as forgotten gems By exploring the studio s missteps this book provides a more complex portrayal of the history of the company than one would gain from a simple recounting of its many hits With essays by writers from across the globe it also asserts that what endures or is forgotten varies from person to person place to place or generation to generation What one dismisses someone else recalls with deep fondness as a magical Disney memory *Rainbow Road* Alex Sanchez,2010-05-11 Jason Carrillo came out to his basketball team senior year and lost his university scholarship Now with graduation behind him and summer ending he s asked to speak at the opening of a gay and lesbian high school across the country But after spending years in the closet and losing his scholarship dream what message can he offer Kyle Meeks is getting ready to go to Princeton in the fall and trying to see as much as possible of his boyfriend Jason before they have to separate When Jason tells him about his speaking invitation Kyle jumps at the chance to drive across country with him Yet he can t help worrying Will their romance survive two weeks crammed together in a car
