The Making of Oregon Samuel N. Dicken, 1979 [The Making of Oregon](#) Samuel Newton Dicken, Emily F. Dicken, 1979 **The History of Oregon** Baerwald H Wilson, 2025-06-03 THE HISTORY OF OREGON THE MAKING OF THE UNITED STATES From ancient geological formations to modern political innovations The History of Oregon presents a meticulously researched account of this pivotal American state Beginning with the Columbia River Basalts that formed 17 million years ago and continuing through indigenous civilizations that thrived for thousands of years author Baerwald H Wilson weaves a compelling narrative about a land that would eventually become essential to American identity Wilson captures the dramatic territorial disputes of the 1840s when Britain and America nearly went to war over Oregon Country then traces how the region transformed from contested territory to the 33rd state by 1859 Drawing on extensive primary sources from 1792 2023 this authoritative work examines how Oregon s pioneering direct democracy systems revolutionized American governance in the early 1900s Readers will gain profound insights into Oregon s unique contributions to American development from its territorial expansion policies to its groundbreaking environmental protection laws The book thoughtfully analyzes how Oregon s urban rural dynamics mirror America s broader cultural tensions while presenting balanced perspectives on challenging historical episodes including indigenous displacement and exclusion laws With 20 comprehensive chapters spanning geological time to contemporary issues Wilson s gripping narrative brings to life the people conflicts and decisions that made Oregon a laboratory for American democracy This essential addition to any history collection will change how you understand not just Oregon but America itself [Washington Public Documents](#) Washington (State), 1909 **Roadways for People** Lynn Peterson, Elizabeth Doerr, 2022-12-06 Seventy years of a car only approach not car centric it s car only is actually not just non driver hostile it s driver hostile No one benefits Beth Osborne Director Transportation for America The car only approach in transportation planning and engineering has led to the construction of roadways that have torn apart and devalued communities especially Black and Brown communities Forging a new path to repair this damage requires a community solutions based approach to planning designing and building our roadways When Lynn Peterson began working as a transportation engineer she was taught to evaluate roadway projects based only on metrics related to driver safety allowable speed for the highest number of cars project schedule and budget Involving the community and collaborating with peers were never part of the discussion Today Peterson is a recognized leader in transportation planning and engineering known for her approach that is rooted in racial equity guided by a process of community engagement and includes collaboration with other professionals In Roadways for People Lynn Peterson draws from her personal experience and interviews with leaders in the field to showcase new possibilities within transportation engineering and planning She incorporated a community solutions based approach in her work at Metro TriMet and while running the Washington State Department of Transportation where she played an instrumental role in the largest

transportation bill in that state s history The community solutions based approach moves away from the narrow standards of traditional transportation design and focuses instead on a process that involves consistent feedback learning loops and meaningful and regular community engagement This approach seeks to address the transportation needs of the most historically marginalized members of the community Roadways for People is written to empower professionals and policymakers to create transportation solutions that serve people rather than cars Examples across the U S from Portland Oregon to Baltimore Maryland show what is possible with a community centered approach As traditional highway expansions are put on pause around the country professionals and policymakers have an opportunity to move forward with a better approach Peterson shows them how **Two Centuries of Oregon Geography: The making of Oregon** Samuel Newton Dicken,Emily F.
