Moise And The World Of Reason:

Moise and the World of Reason Tennessee Williams, 2016-07-12 What's not to like about Tennessee Williams's most forthright work about homosexual love with its gay figure skaters runaways and sex? An erotic sensual and comic novel that was a generation ahead of its time. *Moise and the World of Reason* has at its center the need of three people for each other: Lance, the beautiful black figure skater full of love and lust for young men as well as a craving for drugs; the nameless gay young narrator, a runaway writer from Alabama who lives near the piers of New York City's West Village; and Moise, a young woman who speaks in riddles and can never finish her paintings or consummate her affairs. The long unavailable *Moise and the World of Reason* represents a kind of uncensored Williams radically frank, fully articulated and deeply tender, a true gem. *Critical Companion to Tennessee Williams* Greta Heintzelman, Alycia Smith Howard, 2014-05-14 One of the greatest American dramatists of the 20th century, Tennessee Williams is known for his sensitive characterizations, poetic yet realistic writing, ironic humor, and depiction of harsh realities in human relationships. His work is frequently included in high school and college curricula, and his plays are continually produced. *Critical Companion to Tennessee Williams* includes entries on all of Williams's major and minor works, including *A Streetcar Named Desire*, *Cat on a Hot Tin Roof*, *The Glass Menagerie*, a novel, a collection of short stories, two poetry collections, and personal essays. Places and events related to his works, major figures in his life, his literary influences, and issues in Williams scholarship and criticism are also included. Appendixes include a complete list of Williams's works, a list of research libraries with significant Williams holdings, and a bibliography of primary and secondary sources. *Dictionary of Literary Biography*, 1982

Tennessee Williams George W. Crandell, 1995 This comprehensive collection describes all the published works by one of America's most famous and prolific dramatists. Author of *Glass Menagerie*, *A Streetcar Named Desire*, *Cat on a Hot Tin Roof*, and many other dramas presented on both stage and screen, Tennessee Williams was also the writer of short stories, poetry, novels, essays, and autobiography.

Huxford's Old Book Value Guide Bob Huxford, Sharon Huxford, 1992 This totally new fourth edition is intended to be a companion volume. Over 25,000 listings are included with current values. More than just a price guide, you'll also find scores of buyers listed by the type of subject matter they are looking for, so it's a selling guide as well.

The Tennessee Williams Encyclopedia Philip Kolin, 2004-03-30 Tennessee Williams is synonymous with 20th century theatre. For nearly half a century he wrote plays that transformed stages and amazed audiences around the world. This reference is a comprehensive guide to his life and works. Included are roughly 160 alphabetically arranged entries on topics related to Williams and his writings. Individual entries treat his works, his family members, and acquaintances, places central to his writings, and such topics as music, race, religion, art, and politics. Entries cite works for further reading and are written by expert contributors, and the encyclopedia closes with a selected general bibliography. Through roughly 160 alphabetically arranged entries, the encyclopedia identifies major figures in his life, names his characters, and specifies their

significance summarizes his plays stories and poems discusses his sources and publications provides performance histories and surveys important film adaptations Entries are written by expert contributors and cite works for further reading while the encyclopedia concludes with primary and secondary bibliographies

Tennessee Williams University of Southern Mississippi,1977

Tennessee Williams, a Bibliography Drewey Wayne Gunn,1980 More than an updating and expansion of materials this edition is so different from the first 1980 as to constitute virtually a new book recast to bring together all information about a particular work by Williams its often complicated publication history productions with reviews and criticism including dissertations Separate sections list recordings paintings biographies and interviews manuscripts available at 19 institutions and translations into 36 languages Arranged alphabetically throughout with cross references and three indexes Annotation copyrighted by Book News Inc Portland OR
