Mom And Me:

Mom Me : E-Mail 2 Heaven Valerie Auguste'-Partin,2015-11-24 Dear Mom Me Why did I write the book sequel to Mom Me Soaring Through The Pain The answer is simple I need people to understand the difference between the grief journey of losing your mother to more than one terminal illness vs just losing your mother to natural causes Some folks still believe that I should be over my loss by now Fortunately many of them still have their own mothers and can never empathize with me Why should they A mother is the extraordinary superwoman who inhaled the breath of life into you for 9 miraculous months She exhaled you to the world during the slow and painful labor process To watch my physically strong healthy and powerful mother who gave me life lose her own life slowly and painfully to not one but two terminal illnesses left a dark stain and a traumatic impression on me emotionally It is difficult to transition smoothly to the happy moments shared together when the recent memories of their physical anguish and suffering still haunt and torment you For many of us these emotional demons are worst at night when you are alone with your nocturnal thoughts This book is dedicated to her undying memory and incredible legacy Contributions will be sent to the American Diabetes Association ADA and the Cancer Research Institute CRI in memory of Esther M Auguste

Mother Me Zara H. Phillips,2011 The adopted daughter of loving parents Zara Phillips nonetheless felt out of place in her family and a misfit in the world around her Although cherished by a well meaning mother and father she grew up feeling deeply insecure and alone consumed by a void she found impossible to fill Isolation led to alienation yet her talent brought her to the center of the thriving London rock n roll scene of the 1980s Her downward spiral fueled by its lifestyle Zara became lost in drugs alcohol and destructive relationships An intense search for the truth of her birth led to an awakening and successful recovery Yet it was her experience of becoming a mother that revealed what being an adopted person really meant to her For the first time she gained deep understanding and compassion for both her birth mother and her adoptive mother and was able to start the healing process The tale of Zara s search for her birth mother and her path to health is riveting as are the stories of many people sharing her past Zara s activism for adoptee rights springs from a very personal passion *Mother Me* is a brave and compelling memoir that illuminates the lifelong impact of adoption on every member of the adoption triad adoptee birth mother and adoptive mother as well as the families of each
