Oba The Last Samurai:

Oba, the Last Samurai Don Jones, 1986 In July 1944 the Americans took the island of Saipan but Captain Sakae Oba of the Japanese Army refused to acknowledge defeat *Oba, the Last Samurai* Don Jones, 1986 In July 1944 the Americans took the island of Saipan but Captain Sakae Oba of the Japanese Army refused to acknowledge defeat *Oba* Don Jones, 1988 Captain Sakae Oba of the Japanese Army refused to accept defeat and continued to harass the American forces on Saipan When he did surrender it was on his terms and with honor This is his story the story of a courageous man admired by those he warred against Oba Don Jones, 1986 **Creating Japan's Ground Self-Defense Force, 1945-2015** David Hunter-Chester, 2016-11-30 Creating Japan's Ground Self Defense Force 1945 2015 is a timely contribution to postwar Japan security studies It is the first comprehensive account of Japan's post 1945 army including a comprehensive institutional history together with the evolution of roles and missions and the adoption of successive professional identities The organizational history is embedded within a thorough examination of Japan's own defense policy as well as of America's policy of alliance with Japan The book examines and challenges assumptions about the drafting and adoption of the War Renunciation clause of Japan's postwar Peace Constitution Article 9 which uniquely not only renounces war but the arms to wage war Thus Japan's army is not called an army but the Ground Self Defense Force GSDF The work also examines the place of an army and soldiers in the formation of Japan's national identity after its last devastating war and explores the impact of constitutional legal and policy restrictions as well as the power of the legacy of the still largely vilified Imperial Japanese Army on GSDF members who seek to serve because there are people we want to protect The study is rounded by an examination of the place of soldiers in Japan's popular culture focused on movies manga and anime assessing the impact on the GSDF of a public imagination that most often ignores or villainizes soldiers though ending with a note that some positive images of soldiers and of the GSDF members themselves have started to appear in the last few years The book's author a retired U S Army soldier who spent more than twenty years working studying and training with the GSDF offers a broad ranging exploration of a unique organization This work is extensively researched using English and Japanese sources and will appeal to anyone interested in Japanese security studies alliance studies and military imagery in Japanese pop culture as well as to students of military history international security international relations and cultural identity **Faithful Warriors** James Dean Ladd, Steven Weingartner, 2013-09-15 *Faithful Warriors* is a memoir of World War II in the Pacific by a combat veteran of the 8th Marine Regiment 2nd Marine Division Written with award winning author Steven Weingartner Col Ladd's book recounts his experiences as a junior officer in some of the fiercest fighting of the war during the amphibious invasions of Guadalcanal Tarawa Saipan and Tinian Ladd's recollections and descriptions of life and death on the far flung battlefronts of the Pacific War are vividly rendered and augmented by the personal recollections of many of the men who served with him in his wartime journey across the Pacific This vividly written memoir will stir the memories of those who lived during these

trying times and will help future generations of readers to understand the realities of the Pacific War *A WWII Soldier in the Pacific* Robert Thobaben, 2025-06-30 Thobaben's memoir offers a personal and diverse perspective on WWII combat in the Pacific blending personal experience and interviews with veterans Anyone familiar with WWII studies in the Pacific will recognize the name Eugene B Sledge The author who corresponded with Sledge 30 years ago shared the experience of serving on Peleliu in the Palau Islands Sledge was part of the 1st Marine Division which led the assault Within six weeks the division was decimated suffering 60% casualties The 81st Infantry Division was then deployed to secure the island followed by the 111st Infantry for cleanup operations This memoir comes from a 111st Infantry member drawing from the author's diary and letters home Thobaben's narrative starts on November 8 1943 as he embarked on a troop ship to Hawaii joining the Central Pacific Campaigns in the Gilbert and Marshall Islands as part of the 3rd Battalion's medical headquarters team In addition to recounting his own experiences Thobaben has conducted interviews with servicemen and women from the Army Navy Marine and Air Corps over the years His work encompasses a diverse range of perspectives to provide a comprehensive view of combat life in the Pacific during WWII some of which are featured in this unique account *Counting the Days* Craig B. Smith, 2012 Traces the stories of six prisoners on both sides of World War II including a pair of European expatriates who were released into the dangerous Philippine jungles a U S citizen who was confined in a detention camp and a Japanese soldier who hid in the Guam jungles until 15 years after the war *Nan'yō* Mark R. Peattie, 1992-07-01 Peattie's remarkably readable narrative goes far beyond military and diplomatic history Choice Peattie's comprehensive and fascinating book adds greatly to our knowledge of colonial governments in general the Japanese empire in particular and the global significance of the Pacific Islands The Contemporary Pacific The significance of this book by Peattie a lifelong scholar of the Japanese empire is that it brings Japan's 30 year imperial adventure in the Pacific out of the shadows at last While indispensable for those who have a special interest in the vast part of Micronesia that Japan ruled the author's contribution has an importance for others as well It offers a carefully researched and penetrating look into the heart and soul of one of the very few non Western colonial powers in the Pacific Francis Hezel *Journal of Pacific History* *Whistling in the Face of Robbers* Dahn A. Batchelor, 2017-03-16 The Life and Times of Dahn Batchelor My father returned to Canada in the early spring of 1944 and took a train across Canada and when his train stopped at Quesnel a mere twenty six miles from Wells he changed his mind and got on a train heading south toward Vancouver with the intention of returning to Toronto where he previously lived By a strange coincidence my aunt who was living in Wells and had been heading south on the same train saw my father get off the train in Squamish She convinced him to go to Wells She told him that his family was anxiously waiting for him He took the next train heading north toward Wells but my mother knew what he had done after my aunt phoned her and she wasn't pleased at all at his attempt to abandon us again I and my brother didn't know what he had done I only learned of it many years later from my aunt He got a job in one of the towns two gold mines and this was the first time since my birth that he
