## **Molto Agitato:**

**Molto Agitato** Johanna Fiedler,2003-09-09 If the opera world is full of intrigue double meanings and devious dramatics then no place exemplifies this more than the world famous Metropolitan Opera where politics ambition and oversized egos have traditionally taken center stage along with some of the world s richest music Drawing on her fifteen years as its press representative Johanna Fiedler explodes the traditional secrecy that surrounds the Met in this wonderfully entertaining account of its tumultuous history Fiedler chronicles the Met s early days as a home for legends like Toscanini Mahler and Caruso and gives a fascinating account of the middle years when haughty blue bloods battled stubborn administrators for control of a company that would emerge as America s premiere opera house She takes us behind the grand gold curtain stage in more recent years as well showing how musical superstars like Luciano Pavarotti Plcido Domingo and Kathleen Battle have electrified performances and scandalized the public But most revelatory are Fiedler s portrayals of James Levine and Joseph Volpe and their practically parallel ascendancies Levine rising from prodigy to artistic director Volpe advancing from stagehand to general manager and their once strained relationship Weaving together the personal economic and artistic struggles that characterize the Met s long and vibrant history *Molto Agitato* is a must read saga of power wealth and above all great music
