Obsidian Sky Jill Aster,2026-02-02 Thaelyn Marren enters the Asgar Training Academy wanting nothing more than to prove herself amongst the other cadets where she must endure life threatening trials in hope of manifesting air water fire or earth magic Not to mention a lucky few will pair with dragons who select their riders with ancient instinct answering only to those whose souls burn bright enough to match their own When Thaelyn s power stirs in ways no instructor can explain she draws the attention of the crown particularly Prince Thorne Dareth a renowned warrior and a dragon rider Hardened by discipline and haunted by a kingdom he was born to serve Thorne sees Thaelyn as a danger to the realm and yet is charged with her training And amidst clashing personalities an undeniable pull forms between them potent enough to awaken dark forces that once tore the world apart Now rift born creatures thought to exist only in nightmares are slipping through the cracks of their reality As they push the realm toward open war Thaelyn may be the only one able to stop what s coming That is only if Thorne can choose between loyalty to his crown or the girl whose power could either save their world or bring it to ruin

**Obsidian Sky (Book # 1 of the Obsidian Saga)** Julius St. Clair,2014-06-14 Everyone in the world have just been given power beyond imagination And suddenly the fiery Aidan finds himself in a land that is magnificent as it is terrifying Orphaned and alone he soon grows tired of the chaotic new world and searches for an escape finding it in the friendship of powerful warriors and the arms of the beautiful sorceress Leah Ainsley But his destiny is not one of peace There are dark forces on the horizon And he quickly discovers that if he has any chance of preserving his new life he will have to battle immortal enemies overcome impossible odds and ultimately tame his dark and tortured heart Ultimately he must choose between power or honor vengeance or love This is an epic saga of honorable warriors and long lost love of powerful magic and breathtaking romance of political intrigue and dark mysteries mythical beasts of legends and fields of dreams

**Obsidian Sky** Amy Braun,2017-02-06 The final struggle against the Hellions has arrived A trapped engineer and a desperate marauder scramble to fight an enemy with unspeakable power on its side Time is running out and one world will be destroyed After sacrificing herself to save the lives of her friends and family Claire Abernathy struggles to outwit her Hellion captors They torment and terrify her into working on a weapon with the sole purpose of obliterating the world friends and love she has struggled to save If Claire has any chance of saving those she loves she must delve deeper into the Hellion world and witness nightmares she could never imagine In Westraven Sawyer Kendric is desperate to find the woman he loves To do so he must finally embrace his family s atrocious past and heal the wounds it has caused He will be forced to make new allies uncover secrets that change all he knows and find the courage to lead a ragtag crew into the darkest deadliest battle of their lives Claire and Sawyer fight to save their broken world in the final installment of the epic DARK SKY trilogy **Myth and Geology** Luigi Piccardi,W. Bruce Masse,2007 This book is the first peer reviewed collection of papers focusing on the potential of myth storylines to yield data and lessons that are of value to the geological sciences Building on the nascent

discipline of geomythology scientists and scholars from a variety of disciplines have contributed to this volume The geological hazards such as earthquakes tsunamis volcanic eruptions and cosmic impacts that have given rise to myths are considered as are the sacred and cultural values associated with rocks fossils geological formations and landscapes There are also discussions about the historical and literary perspectives of geomythology Regional coverage includes Europe and the Mediterranean Afghanistan Cameroon India Australia Japan Pacific islands South America and North America Myth and Geology challenges the widespread notion that myths are fictitious or otherwise lacking in value for the physical sciences
