**A Wiccan Bible** A.J. Drew, 2003-08-15 If there is one quote from this book which deserves to be emblazoned on the opening pages of your Book of Shadows above the door of your house or temple and in every mind it is this Wicca is not a place to go it is a journey to take Spiral Nature For thousands of years we have been told that God was a man Then someone reminded us of when God was a woman Now we have a reference for the sensible folk who have always felt that it takes two If you have ever thought there was more to religion than ancient rituals performed for reasons unknown this book will show you exactly what you have been looking for If you have already come to the realization that Wicca is the religion for you this book will help fill those many blanks that have been left by other books Author A J Drew makes no attempt to dictate religious dogma or routine He is quick to point out that the title does not start with the word the He illustrates the many issues a person s religion should address and shows how he has been able to find answers to those issues through the practice of a modern religion that was based on some of the oldest principles of the ancient world A Wiccan Bible takes you through the journey of life in three stages Maiden and Master Creation Wiccaning and Self dedication Mother and Father Initiation Handfasting Handparting and the Wheel of the Year Crone and Sage Community the world and death Mythology and science converge as the author details a life s journey into a religion with both old world ritual and new world science fusing both into a creation myth which satisfies not only mind but soul as well A Wiccan Bible not only shows a religious path filled with joy but one that offers the ability to accept and manage sorrow It is filled with ritual and with the reasons why ritual is fulfilling rewarding and a necessary part of everyday life As A J addresses each issue he demonstrates not only how he found the solutions in Wicca and the many ways in which science and magick have helped him to do so A Wiccan Bible also contains select recipes that the author has collected including mixtures for incense oils and baths

**Modernist Form and the Myth of Jewification** Neil Levi, 2013-11-01 Why were modernist works of art literature and music that were neither by nor about Jews nevertheless interpreted as Jewish In this book Neil Levi explores how the antisemitic fantasy of a mobile dangerous contagious Jewish spirit unfolds in the antimodernist polemics of Richard Wagner Max Nordau Wyndham Lewis and Louis Ferdinand Celine reaching its apotheosis in the notorious 1937 Nazi exhibition

Degenerate Art Levi then turns to James Joyce Theodor W Adorno and Samuel Beckett offering radical new interpretations of these modernist authors to show how each presents his own poetics as a self conscious departure from the modern antisemitic imaginary Levi claims that just as antisemites once feared their own contamination by a mobile polluting Jewish spirit so too much of postwar thought remains governed by the fear that it might be contaminated by the spirit of antisemitism Thus he argues for the need to confront and work through our own fantasies and projections not only about the figure of the Jew but also about that of the antisemite
