Contemplative Bible Reading Richard Peace,2015-06-22 A new way to read the Bible Spiritual disciplines are simply ways to open ourselves to God They help us become aware of the many ways God speaks to us and provide us with ways to respond to God This book explores and explains how the historical disciplines and perspectives of the Christian faith can deepen both our walk with God and our community with others Reading the Bible is something that most of us are familiar with Some even do it regularly But do we really think about how we read and respond to Scripture How deeply do we allow ourselves to be impacted by it Contemplative Bible reading or lectio divina as it is often called is an ancient method of approaching Scripture Consisting of four parts this method begins with the selected biblical passage and moves to meditating praying and contemplating what God is revealing through the Bible Many of us tend to think of meditation as something done individually but reflecting on Scripture in a small group invites us to act and encourages us to share with others how God is calling us to respond Contemplative Bible Reading examines this spiritual discipline and invites your small group to approach Scripture in a new and challenging way By exploring different passages and learning to hear God's voice in them this guide will help you meditate and act on the truth of the Bible

Guthrie, 2011-11-01 Stories are basic to life Everybody loves a good story We have been reading listening to or watching stories all of our lives so we intuitively know a lot about how they work Yet more and more Christians are unfamiliar with the stories of the Bible and how the grand narrative of God's Word fits together Indeed God gave us the stories of the Bible to reveal great truth about Himself and about our lives and He wants to draw us into the ongoing story of

what He is doing in the world By focusing on the narrative framework of Scripture we can better understand what the Bible teaches and live out its instruction more effectively Reading God s Story takes that clear narrative approach to the Bible arranging the complete text into a fresh chronological reading plan developed for the Read the Bible for Life biblical literacy initiative In this plan the books chapters and verses of the Bible are thoughtfully arranged so readers can track the story of Scripture day by day from beginning to end understanding the flow of events and how all the different parts fit together to make sense Reading God s Story features two color interior page layout and is organized into 52 weeks of readings six readings per week It presents Scripture in three main acts God s Plan for All People God s Covenant People God s New Covenant People and seventeen total scenes providing an introduction for each act and scene to orient the reader to its importance in the grand story Unlike other chronological Bibles this arrangement is not date specific e g January 1 so a person can begin using this edition at any point in the calendar year *Spending Time With God* Peggy Cci,2017-08-15 Are you struggling reading the Bible every day You have been a Christian for many years but you have not even read the Book of Job yet and don t mention about the book of Numbers Even you know so well that reading the Word of God can have a divine exchange in your life but sometimes it is just too not attractive to do so Or maybe you have read the whole Bible many times and it seems there is nothing new to you anymore Either way you have lost your interest In your hectic lifestyle maybe you can just download the free Daily Bible Verses apps At least you still have some contact with God as you touch and go through life As time passes the daily verses look repetitive and you lose your appetite for the word of God Without you notice you have not been reading the Bible for years now As you feel the struggle within you just to let you know that me too and you are not alone Reading the word of God is not like reading a fiction that you are immersed in a momentary fantasy that satisfies your flesh desire or a non fiction that you are looking for instructions or information for a how to matter Reading the word of God is coming into the presence of God and spending time with Him It is an intimate time spend and conversation between your Heavenly Father and you It is for you to get to know Him and know who you are in Him It is not supposed to read alone but read together with Him Spending time with God Bible reading and journaling series is designed to enable you to read and journal your Bible throughout the year without losing interest and giving up It is according to the main types of Genre which include the Gospels Law History Psalms Poetry Prophecy and Epistles With a simple tracking system and interactive journal pages you can well keepsake your inspiring moments with your Heavenly Father and be a great encouragement to yourself and your next generation to come The word of God is ever green If you are willing to commit be disciplined and be consistent you will reap tremendous rewards out of it Grab your copy now and start journaling your divine exchange moment with your Heavenly Father **5 MINUTES W/GOD** Rusty Hills,2016-09-28 Many Christians resolve each New Year to be more faithful in their daily Bible reading But after the first few days we forget fall behind or become discouraged and give up altogether We want to be more faithful in studying God s Word but our hectic schedules and busy

lives make it difficult. The spirit is willing but the flesh is weak. Five Minutes with God is a distinct and exciting approach to daily Bible reading. Instead of a lofty goal of reading through the entire Bible or even the New Testament in one year, Five Minutes with God focuses on shorter passages so that the reader can absorb more of the text and apply it to everyday life. This third volume of Five Minutes with God steps the reader through the Old Testament in 365 daily readings. By walking with and reflecting on the Old Testament saints, we learn how to walk in faith and obedience before the God of Israel. Each day's reading ends with a thought for further reflection and a call to prayer. By reading, reflecting, and praying, Five Minutes with God will help you come to know Him, love Him, and follow Him like never before. Sensing God Roger Ferlo, 2001-11

Think of all the senses you use when you pick up a Bible. What do you see? What do you smell? What do you touch? Reading scripture attentively is more than a matter of sight. Most of us have been taught to think about God in visual terms, yet the very subject matter of scripture, our relationship with the fullness of God, makes irresistible demands upon all of our senses. If we are to begin to understand anything about God, in these meditations on stories from the New Testament, Roger Ferlo shows us how to read the Bible in a full-bodied way with all the senses attuned. For just as a printed recipe cannot substitute for a mouth-watering feast, so the Bible must be brought to life through the senses. Its stories must be seen, heard, touched, smelled, and tasted. Only then, Ferlo believes, can we truly begin to encounter in our lives the Word of God to us in scripture. *Sensing God* is one of our series of Cowley Cloister Books, smaller format gift edition books designed for meditative and devotional reading. *Five Minutes with God* Rusty Hills, 2015-11-24

Many Christians resolve each New Year to be more faithful in their daily Bible reading. But after the first few days, we forget, fall behind, or become discouraged and give up altogether. We want to be more faithful in studying God's Word, but our hectic schedules and busy lives make it difficult. The spirit is willing but the flesh is weak. Five Minutes with God is a distinct and exciting approach to daily Bible reading. Instead of a lofty goal of reading through the entire Bible or even the New Testament in one year, Five Minutes with God focuses on shorter passages so that the reader can absorb more of the text and apply it to everyday life. This second volume of Five Minutes with God steps the reader through the rest of the New Testament: Acts, Revelation, in 365 daily readings. By walking with and reflecting on the early church, we learn how to live the Christian life in the midst of a hostile culture. Each day's reading ends with a thought for further reflection and a call to prayer. By reading, reflecting, and praying, Five Minutes with God will help you come to know Him, love Him, and follow Him like never before. *Names of God* Rachel Wojo, 2018-11-16

Poythress, 2016 This comprehensive resource on biblical interpretation argues for the importance of reading the Bible as both a human and a divine document advocating an explicitly Christ centered approach to understanding Scripture's meaning **Spiritual reading for every day: an introduction to the interior and perfect life, arranged in 53 lessons, made up from holy Scripture, the Devout life [of st. François de Sales] and the Imitation of Christ, by I. Le Masson**, 1879
