Pledge Betrayed:

The Nazi Hydra in America Glen Yeadon, 2008 This book exposes how US plutocrats launched Hitler then recouped Nazi assets to lay the post war foundations of a modern police state Fascists won WWII because they ran both sides Lays bare the tenacious roots of US fascism from robber baron days to Reichstag fire to the WTC atrocity and Homeland Security with a blow by blow account of the fascist take over of America s media *Erich von Manstein* Benoît Lemay, 2010-07-27 A selection of the Military Book Club An informative and objective biography of a genius commander and a study of his loyalty to the Nazi cause Library Journal To many close students of World War II Erich von Manstein is considered the greatest commander of the war if not the entire twentieth century He devised the plan that conquered France in 1940 and led an infantry corps in that campaign At the head of a panzer corps he reached the gates of Leningrad in 1941 then took command of 11th Army and conquered Sevastopol and the Crimea After destroying another Soviet army in the north he was given command of the ad hoc Army Group Don to retrieve the German calamity at Stalingrad whereupon he launched a counteroffensive that against all odds restored the German front Afterward he commanded Army Group South nearly crushing the Soviets at Kursk and then skillfully resisted their relentless attacks as he traded territory for coherence in the East Though an undoubtedly brilliant military leader whose achievements considering the forces at his disposal rivaled of Patton Rommel MacArthur and Montgomery surprisingly little is known about Manstein himself save for his own memoir and the accolades of his contemporaries In this book we finally have a full portrait of the man including his campaigns and an analysis of what precisely kept a genius like Manstein harnessed to such a dark cause A great military figure but a man who lacked a sharp political sense Manstein was very much representative of the Germano Prussian military caste of his time Though Hitler was uneasy about the influence he d gained throughout the German Army Manstein ultimately declined to join any clandestine plots against his F hrer believing they would simply cause chaos the one thing he abhorred Though he constantly opposed Hitler on operational details he considered it a point of loyalty to simply stand with the German state in whatever form Though not bereft of personal opinions his primary allegiances were first to Deutschland and second to the soldiers under his command who d been committed against an enemy many times their strength It is thus through Manstein that the attitudes of other high ranking officers who fought during the Second World War particularly on the Eastern Front can be illuminated This book is a well researched convincingly reasoned analysis of a general widely considered one of WWII s great commanders Publishers Weekly Includes photographs **Hiding in Plain Sight** Eric Stover, Victor Peskin, Alexa Koenig, 2016 Hiding in Plain Sight tells the story of the global effort to apprehend the world s most wanted fugitives Beginning with the flight of tens of thousands of Nazi war criminals and their collaborators after World War II then moving on to the question of justice following the recent Balkan wars and the Rwandan genocide and ending with the establishment of the International Criminal Court and America s pursuit of suspected terrorists in the aftermath of 9 11 the book explores

the range of diplomatic and military strategies both successful and unsuccessful that states and international courts have adopted to pursue and capture war crimes suspects It is a story fraught with broken promises backroom politics ethical dilemmas and daring escapades all in the name of international justice and human rights Hiding in Plain Sight is a companion book to the public television documentary Dead Reckoning Postwar Justice from World War II to The War on Terror For more information about the documentary visit [www saybrookproductions com](http://www.saybrookproductions.com) For information about the Human Rights Center visit hrc.berkeley.edu
