Pluralism And Inequality In Quebec:

Pluralism and Inequality in Quebec Leslie S. Laczko, 1995 Over the last twenty five years the rise of a progressive state based Quebecois nationalism has substantially transformed the historical pattern of relationships between Quebec s French speaking majority and its non French speaking minorities A new era of Franco phone dominance has been established in most areas of social life and Anglophones have had to adjust to a new minority status with much reduced influence Leslie Laczko draws on public opinion survey data as well as on a diverse body of theoretical literature dealing with language ethnicity nationalism and social change to examine the ongoing restructuring of intercommunal relations in Quebec In an age when we have come to expect the inevitable violence that ensues when conflicting social groups live in close proximity Pluralism and Inequality in Quebec is a fascinating and heartening commentary on the way in which such a situation can be solved peacefully

The Two Solitudes Reexamined Leslie Stephen Laczko, 1981 The study provides an examination of the structure of the belief system of a segmented society and contributes to a systematic assessment of the relative utility of the two theoretical perspectives for an understanding of social change in plural societies [A World-Systems Reader](#) Thomas D. Hall, 2000-03-01 This book brings together some of the most influential new research from the world systems perspective The authors survey and analyze new and emerging topics from a wide range of disciplinary perspectives from political science to archaeology Each analytical essay is written in accessible language so that the volume serves as a lucid introduction both to the tradition of world systems thought and the new debates that are sparking further research today

Airhart, Marilyn J. Legge, Gary L. Redcliffe, 2002-05-30 Doing Ethics in a Pluralistic World is an apt title for this collection of essays in honour of Roger C Hutchinson who over many decades has encouraged and participated in shaping a Canadian contextual social ethics His abiding interest in social ethics and in religious engagement with public issues is reflected in his life s work seeking the consensus and self knowledge required to achieve cooperation in the search for a just participatory and sustainable society One of Roger Hutchinson s many notable accomplishments is his development of a method of dialogue for ethical clarification in situations of diversity Some of the essays collected here apply this method to specific issues while others discuss how religious persons and organizations can and do co operate in a pluralistic world to achieve social and ecological well being All

essays are of keen interest to those concerned with the role and function of ethics at the matrix of religious conviction and social transformation For nearly three decades Roger Hutchinson has been based at Victoria University in Toronto first in religious studies then at Emmanuel College where he completed his teaching career as professor of church and society while serving as principal from 1996 to 2001

Race and Ethnicity Leo Driedger,2003 This book examines ethnic pluralism and industrialization as well as theories of ethnic change such as assimilation amalgamation and the ethnic mosaic Chapters also deal with class socio economic status and the segregation of minorities These aspects set the book apart from competition in the purely multicultural camp
