Maxs Gang:

The Misadventures of Max and Friends Abtahi Omi, 2024-06-28 In the sleepy town of Maplewood nothing is ever quite as it seems Meet Max and his gang of misfit friends a motley crew with a knack for finding themselves knee deep in absurdity at every turn When a harmless prank war escalates into an all out battle of wits Max and his friends are determined to outdo their rivals once and for all But when their antics go awry and a giant chicken robot wreaks havoc on the town s annual parade chaos ensues in the most hilarious of ways From exploding whoopee cushions to a parade float filled with spaghetti Chaos Chuckles is a laugh out loud romp that will leave readers in stitches Join Max and his friends as they navigate the ups and downs of friendship loyalty and the occasional bout of uncontrollable laughter Perfect for fans of quirk *Object Confessions - Happily Ever After* Max D, 2024-12-11 Was it all a lie What would happily ever after even mean So much pain acted out in hope of approval acceptance and ultimately love Max has a gift or a woman whispering in his ear and writes Katie s sexy confessions leading to her maturity like he was describing me She used to be ruled by her emotions one winding down only to be eclipsed by the next surging within her heart Her sexuality was part of that because she needed to be important to someone even just for a moment But she was always more to him than a lusty submissive who sought affection and approval because she felt powerless Being his truly his was a way to discover who she could become Approximately 40 300 words This book is intended for mature audiences Cherish Desire books contain erotica adventures featuring intense sexual situations including alternative lifestyles perverse pleasures and supernatural lust Check the inside cover preview for adult themes contained within this title Buy Now and Discover Her Power *Max's Folly* Bill Turpin, 2016-09-11 Max has been a freelance reporter dodging bullets in Latin America a small time newspaper editor who delights in infuriating his publisher and finally a flack for a communications company the elephant s graveyard for journalists But none of this compares with the terrors of assisted living so instead Max risks everything on something he s kept secret until recently his increasingly unreliable ability to travel in time He set out to search the past for his late wife and settle down with her again In turn satirical and poignant replete with dark humour sarcasm wise cracking characters and laugh out loud funny bits this is a debut novel that is going to ring some bells and stir some pots [The Films of Sergio Leone](#) Robert C. Cumbow, 2008-02-15 Sergio Leone s renown as a filmmaker rests upon a fistful of films most notably the three Westerns he made with Clint Eastwood in the mid 1960s *A Fistful of Dollars* 1964 *For a Few Dollars More* 1965 and *The Good the Bad and the Ugly* 1966 While the success of these movies ensured Leone s reputation would endure the few films he made following *The Man with No Name* Trilogy culminating in his American gangster epic *Once Upon a Time in America* 1984 with Robert DeNiro would solidify Leone s place as one of the great visionaries of his time In this enhanced revision of *Once upon a Time The Films of Sergio Leone* Robert C Cumbow examines the work of this Italian filmmaker who made his mark re envisioning the American Western This volume includes a greatly expanded introduction and contains newly revised essays in which

Cumbow analyzes the transition from peplum films to westerns in the Italian popular tradition. The book also examines each of Leone's major films as director as well as the swan song Italian Western *My Name Is Nobody* which Leone co-wrote and guided as producer. Cumbow also studies Leone's compositional style and the influence of Catholicism and the Italian grand opera tradition on his work. He provides a critical evaluation of Leone's style in reshaping the Western genre and later the crime film as well as an assessment of the influences on Leone's work and his continuing impact on subsequent generations of film makers. Additional features of this book include thumbnail comments on the professionals who most frequently made up Leone's cast and crew as well as an entire chapter devoted to composer Ennio Morricone. The book also includes an exhaustive bibliography, discography, and filmography completely updated for this new edition. For fans and scholars seeking original and illuminating discussion of his work, *The Films of Sergio Leone* provides a critical appreciation of this master stylist.

Mr. Clarinet Nick Stone, 2009-10-13. A disgraced former Miami cop takes a suicide mission to track down a missing child in Haiti in this Silver Dagger Award-winning thriller series debut. There was nothing waiting for ex-cop Max Mingus when he walked out of Attica Prison after doing hard time for murder. Now Miami's one-time top detective is haunted by an empty house, bad memories, and an impossible job offer for obscenely good money. Three years ago, Charlie Carver, the five-year-old son of a powerful Haitian billionaire, vanished. His father is offering Max 15 million to bring the boy back or at least find his body and deliver his abductors. Max has every reason to turn the case down; there's no way the boy is still alive, and the last three detectives to take the job are dead. But with nothing left to lose, Max plunges headfirst into Haiti, a steaming island hotbed of crime, greed, voodoo, and corruption, to find the boy. His investigation stirs up a murky evil that can swallow a man whole and leads Mingus to the soul-destroying truth about a terrifying local myth, a child-stealing nightmare called Mr. Clarinet.

Irreverent, eccentric Max's Picnic Book is the follow-up to the Sunday Times Bestseller Max's Sandwich Book. Both an ode to the art of eating outdoors and an entertaining, frivolous reinvention of it, Max and Ben will redefine what the picnic is and celebrate its true potential before creating 16 themed menus. Including ingenious hacks, think flavoured salts for dipping eggs and soft serve with a shot of espresso, as well as twists on familiar favourites, this book is about how and why we should picnic. Interpreting the ways in which we can eat outdoors through the eyes of their picnicking heroes, such as Hunter S. Thompson, Mary Berry, and Snoop Dogg, the reader will be left with a broadened perception of what a picnic truly is. Arts & Humanities Citation Index
