Polish Jews Earl Vinecour, 1977-01-01 **Polish Jews** Laurence Weinbaum, 1998 A study of Jewish life in Poland today

The Expulsion of Jews from Communist Poland Anat Plocker, 2022-03-01 In March 1968 against the background of the Six Day War a campaign of antisemitism and anti Zionism swept through Poland The Expulsion of Jews from Communist Poland is the first full length study of the events their precursors and the aftermath of this turbulent period Plocker offers a new framework for understanding how this antisemitic campaign was motivated by a genuine fear of Jewish influence and international power She sheds new light on the internal dynamics of the communist regime in Poland stressing the importance of middle level functionaries whose dislike and fear of Jews had an unmistakable impact on the evolution of party policy The Expulsion of Jews from Communist Poland examines how Communist Party leader Wladyslaw Gomulka s anti Zionist rhetoric spiraled out of hand and opened up a fraught Pandora s box of old assertions that Jews controlled the Communist Party the revival of nationalist chauvinism and a witch hunt in universities and workplaces that conjured up ugly memories of Nazi Germany

Categorically Jewish, Distinctly Polish Moshe Rosman, 2022-03-16 Moshe Rosman s revolutionary approach has become a cornerstone of Polish Jewish historiography Challenging conventions he asserts that the marriage of convenience between the Jews and the Polish Lithuanian Commonwealth was a dynamic relationship that though punctuated by crisis and persecution developed into a saga of overall achievement and stability With that fundamental message this book forges a thematic survey of Jewish history in early modern Poland These essays written by Rosman over the course of a distinguished career have all been updated and enhanced with new detail and nuanced arguments taking account not only of new archival material and research but also of the ongoing evolution of the author s own knowledge and perspectives Some appear here in English for the first time The volume s structure highlights key topics for understanding the Polish Jewish past relations between Jews and other Poles Jewish communal life Polish Jewish women

and hasidism One section analyses how this past has been presented in both scholarly and popular modes The essays are crafted to place them in dialogue with each other Analytical introductions weigh their significance in the light of modern and postmodern Jewish and Polish historiography An extensive general introduction sets the context of the history portrayed here while a thoughtful conclusion elucidates the larger motifs that emerge
