Churchill and the Dardanelles Christopher M. Bell, 2017-03-10 The failed naval offensive to force a passage through the Straits of the Dardanelles in 1915 drove Winston Churchill from office in disgrace and nearly destroyed his political career For over a century the Dardanelles campaign has been mired in myth and controversy Many believe it was fundamentally misconceived and doomed to fail while others see it as a brilliant concept that might have dramatically shortened the First World War and saved millions of lives Churchill is either the hero of the story or the villain Drawing on a wide range of original documents Christopher M Bell shows that both perspectives are flawed Bell provides a detailed and authoritative account of the campaign s origins and execution explaining why the naval attack was launched why it failed and how it was transformed into an even more disastrous campaign on the Gallipoli peninsula He untangles Churchill s complicated relationship with Britain s admirals politicians and senior civil servants and uncovers the machinations behind the bitter press campaign in 1915 to drive him from power Churchill and the Dardanelles explores the origins of the myths surrounding the ill fated campaign and provides the first full account of Churchill s tireless efforts in the decades after 1915 to refute his legion of critics and convince the public that the Dardanelles campaign had nearly succeeded Largely by his own exertions Churchill ensured that the legacy of the Dardanelles would not stop him from becoming Prime Minister in 1940

The Second Vermont Volunteer Infantry Regiment, 1861-1865 Paul G. Zeller, 2009-09-08 The many regiments that fought in the Civil War each had their own stories to tell about what they saw smelled tasted heard and felt while serving in war The Second Vermont Volunteer Infantry Regiment saw its first combat at the Battle of Bull Run and

fought on to Lee's surrender. This richly illustrated work draws from service pension and court martial records and personal letters and diaries to portray the junior officers, noncommissioned officers, and privates of the regiment as they were in battle, on the march, and in camp. Some were heroes like Private William W. Noyes, awarded the Medal of Honor, and others were not like Private George E. Blowers, executed for desertion. A roster of the 1,858 men who served in the regiment is provided.
