

# WHAT IS COMMUNISM?

**Communism** is a political theory derived from Karl Marx, advocating class war and leading to a society in which all property is publicly owned and each person works and is paid according to their abilities and needs.

**Communism** advocates for a classless system in which the means of production are owned communally and private property is nonexistent or severely curtailed.

Today, the existing **communist** states in the world are in *China, Cuba, Laos, and Vietnam*.
